Keeneland/Coyle

The world's leading Thoroughbred auction house, Keeneland sells more champions and stakes winners than any other sales company while offering state-of-the-art facilities and a range of amenities for its diverse international clients.

Highly prized North American Thoroughbreds form the foundation bloodlines for Thoroughbreds in Central and South America, Asia, South Africa, Russia and India, and breeders and owners from around the world travel to Lexington to buy horses at the Keeneland sales. Each year, buyers from nearly every state and as many as 50 countries participate in Keeneland's three annual auctions: September Yearling, November Breeding Stock and January Horses of All Ages sales.

The success of Keeneland sales graduates continues to build. Keeneland has sold 20 Kentucky Derby (G1) winners, 22 Preakness (G1) winners and 19 Belmont (G1) winners. In 2016, Keeneland sales graduates swept the Triple Crown when Nyquist won the Kentucky Derby Presented by Yum! Brands (G1), Exaggerator took the Preakness (G1) and Creator captured the Belmont (G1). Meanwhile, sales graduates have excelled on the world stage, winning the Epsom Derby (G1) and its French and Irish counterparts. (A list of sales graduates

who won classic 3-year-old races begins on page 267.)

Additional successful Keeneland sales graduates this year (as of July 25) include other Grade/Group 1 winners Beholder, Bradester, Brody's Cause, Carina Mia, Catch a Glimpse, Cavorting, Celestine, Curalina, Divisidero, Giulia, Greenzapper, Illuminant, Lord Nelson, Melantonin, Midnight Storm, Miss Temple City, Mshawish, Off the Tracks, Order of St George (IRE), Queen Pearl, Taris and Weep No More.

The September Sale produced a number of these major winners, including Order of St George, who became a Group 1 winner in England during the prestigious Royal Ascot meet. Other successful September Sale alumni there were Hawkbill and Lady Aurelia.

In Canada, September Sale graduate Sir Dudley Digges won the \$1 million Queen's Plate. Horses from Keeneland sales also won stakes this year in Australia, Brazil, Dubai, France, Ireland, Japan, Kazakhstan, Korea, Panama, Puerto Rico and Russia.

Keeneland sales graduates also include 88 horses that have won 95 races during the Breeders' Cup World Championships (See page 269.) Seven of them reached the winner's circle during the 2015 event, held for the first time at Keeneland: Catch a Glimpse won the Juvenile Fillies Turf (G1); Liam's

Map (Las Vegas Dirt Mile-G1); Mongolian Saturday (TwinSpires Turf Sprint-G1); Nyquist (Sentient Jet Juvenile-G1); Runhappy (TwinSpires Sprint-G1); Stephanie's Kitten (Filly and Mare Turf-G1) and Stopchargingmaria (Distaff-G1).

Nyquist and Runhappy received Eclipse Awards for their 2015 campaigns. Another Keeneland sales alumni who was named a 2015 champion was multiple Grade 1 winner Beholder.

History

The concept of Keeneland serving as a sales facility and a race track was expressed in its original prospectus created in the mid-1930s. The first auction was held in the Keeneland Paddock on April 25, 1938, under the management of E.J. Tranter and his Lexington representative, Thomas Cromwell. A total of 31 horses grossed \$24,885, for an average of \$802.74.

Keeneland began holding annual sales in 1943. Prior to World War II, many Central Kentucky breeders sent their yearlings each summer to the Fasig-Tipton sale in Saratoga, New York. But a wartime restriction on rail transport forced breeders to keep their yearlings at home, prompting the inaugural summer sale, which was conducted by Fasig-Tipton and held under a tent in the

Keeneland Paddock. Beginning August 9, the three-day sale was front-page news in the *Lexington Herald*. Fred W. Hooper purchased his first yearling at the sale, paying \$10,200 for a colt by Sir Gallahad III. Named Hoop, Jr., the colt went on to win the 1945 Kentucky Derby.

Fasig-Tipton elected not to hold the 1944 yearling sale at Keeneland, so Hal Price Headley and A.B. Hancock Sr. conceived a co-op organization, the Breeders' Sales Company, to continue the sale in Lexington. From that sale came both juvenile champions of 1945: the filly Beaugay and the colt Star Pilot. A total of 437 horses sold for \$2,286,000, a record total for a yearling sale.

Yearlings were sold as part of a fall mixed sale from 1944 through the late 1940s, and sold in a separate fall yearling sale beginning in 1950. In 1960, the yearling sale was moved to September. The September Yearling Sale became Keeneland's only yearling sale beginning in 2003 with the discontinuation of the July Selected Yearling Sale.

September Sale

The September Sale is the global marketplace for Thoroughbred yearlings. Year after year, major buyers from around the world travel to Keeneland to find horses capable of making history such as recent September Sale graduates and Horses of the Year Havre de Grace, Zenyatta and Curlin and 2015 champions Beholder, Nyquist and Runhappy. As such, the September Sale is the chief barometer of the state of the Thoroughbred industry.

The record for the highest price paid at the September Sale is the \$11.7 million for Meydan City, a Kingmambo colt, in 2006. The highest price for a filly is the \$4.4 million for the Storm Cat filly Moon's Whisper in 2000.

At the 2015 sale, robust trade generated solid gains led by a record-equaling median price of \$50,000 and the sale of 11 seven-figure yearlings. A colt by leading North American sire Tapit brought the sale-topping price of \$2.1 million.

November Sale

The November Breeding Stock Sale – which catalogs broodmare, broodmare prospects, weanlings, stallions, stallion prospects and shares – is the world's most important auction of its type in terms of total sales and average. Some of the global industry's top broodmares and broodmare prospects have sold at the sale.

The 2015 November Sale immediately followed the Breeders' Cup at Keeneland. Leading the 22 horses sold for seven figures was champion Take Charge Brandi, whose purchase price of \$6 million made her the

Bob Elliston | Vice President of Racing and Sales

Biography can be found on page 14.

Mark Maronde | Director of Sales Development

Mark Maronde brings more than 20 years of experience in the Thoroughbred industry to the Keeneland sales team, which he joined in April 2009.

He assists with recruiting and marketing efforts for the Keeneland sales and serves as a member of the yearling inspection team.

Maronde spent five years in the bloodstock division of WinStar Farm prior to Keeneland. He honed his inspection and sales recruiting skills as National Field Representative for Barretts' Equine Ltd. (1996–2009) and with the Canadian Thoroughbred Horse Society (2007–2009). He also worked for Cromwell Bloodstock from 1990–1995.

Geoffrey G. Russell | Director of Sales Operations

Geoffrey Russell has served as Keeneland's Director of Sales since June 2001.

Born in Dublin, Ireland, Russell gained early experience at Coolmore Stud and as a bid spotter at Goffs. He came to the U.S. in 1982, first working at Fasig-Tipton Sales and then at Elmendorf Farm. He returned to Fasig-Tipton as Vice President of Fasig-Tipton Appraisals and Director of Sales Administration prior to joining Keeneland in 1996 as Assistant Director of Sales to Rogers Beasley.

Russell represents Keeneland on the Sales Integrity Task Force, International Catalogue Standards Committee (NA) (ICSC), International Grading and Race Planning Advisory Committee (IRPAC), and is Vice Chairman of the Society of International Thoroughbred Auctioneers (SITA). He is also on the board of the Grayson-Jockey Club Foundation.

Thomas J. Thornbury | Associate Director of Sales Operations

Tom Thornbury was named Keeneland's Associate Director of Sales in June 2002.

In his position, Thornbury acts as liaison to consignor interests, cultivates relationships with horsemen in emerging racing markets, and serves as a member of the yearling inspection team.

Thornbury grew up on the farm owned by his father, John Thornbury, and partner Dr. Robert Copelan, where he was involved in training and farm management, and assisted in equine orthopedic surgery. Thornbury spent nearly 10 years at Airdrie Stud, owned by former Governor and Mrs. Brereton C. Jones, working first as yearling manager and later as general manager.

He is a past president of the Thoroughbred Club of America and the Kentucky Thoroughbred Farm Managers' Club, and formerly served on the board of the Kentucky Thoroughbred Association and Kentucky Thoroughbred Owners and Breeders.

most expensive Thoroughbred sold at public auction in the world during the year. For the second consecutive November Sale, a North American record price for a weanling was set when a filly by War Front out of Take Charge Lady (Take Charge Brandi's second dam) sold for \$3.2 million.

The November Sale has created many memorable moments, including the 2005 sale of champion and broodmare prospect Ashado for \$9 million. In 2007, Irish-bred Playful Act brought a November Sale record price of \$10.5 million.

The 2011 sale was highlighted by the dispersals of the Estate of Edward P. Evans' Spring Hill Farm and Prince Saud bin Khaled's Palides Investments N.V., Inc.

The Evans dispersal, with Lane's End serving as agent, sold 170 lots for \$55,820,000 to become the highest-grossing Thoroughbred dispersal at public auction in North America. When combined with the 50 yearlings sold by the Evans estate for \$6,527,000 at the September Sale and one racing prospect sold for \$17,000 at the 2012 January Sale, the dispersal sold a total of 221 lots for \$62,364,000. Those totals shattered the former North American dispersal record held by Newstead Farm, which sold 62 lots for \$46,988,000 in November 1985. The previous Keeneland record was set by the Nelson Bunker Hunt dispersal, which sold 580 horses for \$46,912,800 at the 1988 January Horses of All Ages Sale.

The dispersal of Palides Investments N.V. featured the sale of Breeders' Cup Ladies' Classic (G1) winner and champion Royal Delta for \$8.5 million, a Keeneland sales record for a horse in training, and the \$2.6 million sale of a half-sister to Horse of the Year Saint Liam (later named Miss Besilu) to establish a then-North American record for a weanling filly sold at public auction.

The dispersal also included the \$1.8 million sale of Royal Delta's weanling half-sister, later named Crown Queen, who won Keeneland's 2014 Queen Elizabeth II Challenge Cup (G1) Presented by Lane's End.

January Sale

The January Horses of All Ages Sale is open to Thoroughbreds of every age, as well as stallion shares and seasons. Da'Tara, winner of the 2008 Belmont (G1), is a graduate of the January Sale, selling for \$100,000 in 2006.

One of the most famous rags-to-riches stories in sports is that of a horse sold as a yearling for \$1,100 at the 1976 January Sale. The next year, as an unheralded 2-year-old named John Henry, he sold again for \$2,200 to Hal "Bubba" Snowden. From these modest beginnings, John Henry went on to be-

Ryan Mahan | Director of Auctioneers

Ryan Mahan considered following his stepfather, Dr. Robert Copelan, into veterinary medicine. Instead, he finds himself in the auction stand at the leading Thoroughbred sales company in the world. Mahan initially had his own auction company but in 1977 he came to work at Keeneland as a bid spotter and later chief announcer for several years following the departure of Tom Hammond. Promoted to auctioneer in the mid '80s, he succeeded the late Tom Caldwell in 2001 as senior auctioneer. Mahan also serves on the inspection team for Keeneland's September Yearling Sale.

Chip McGaughey | Sales Associate

Chip McGaughey joined the Keeneland sales team on Feb. 1, 2015. A graduate of the University of Kentucky, McGaughey gained experience in racing through his father, Hall of Fame trainer C.R. "Shug" McGaughey, and while working as an inaugural Brand Ambassador for America's Best Racing, The Jockey Club's initiative to introduce young people to the sport. McGaughey formerly was an account planner at Cornett Integrated Marketing Solutions in Lexington, where, in addition to managing the Brand Ambassador Program, he was responsible for marketing America's Best Racing and the Keeneland sales.

Jesse Ullery | Sales Associate

Jesse Ullery, who has served as a Pedigree Announcer at Keeneland sales since January 2014, joined Keeneland's Sales Department as Sales Associate on Feb. 22, 2016. He was the director of racing at Fair Meadows and Will Rogers Downs in Oklahoma. Born in Montana and raised in Phoenix, Ullery has a family heavily involved in racing. He was introduced to the sport by his grandfather Burton Farley, a trainer in the Northwest and at Turf Paradise, and by his aunt Coralee Farley, a longtime racing official. His mother, LeAnn Hickman, works for Coady Photography. Ullery's first involvement in equine auctions came while working in the summers at a monthly sale in Montana managed by his father, Keith Ullery. He later gained experience at Thoroughbred sales conducted by the Canadian Thoroughbred Horse Society, Heritage Place and the Ocala Breeders' Sales Company. The PA announcer for his high school sports teams, Ullery at 19 became the track announcer at Fair Meadows in Tulsa in 2007. He was named to the same post at Will Rogers and Blue Ribbon Downs in Oklahoma the following year.

come Horse of the Year in 1981 and 1984, and amassed then-record career earnings of \$6.6 million.

Results of the 2016 January Sale mirrored the trend seen throughout recent sales seasons: steady results indicative of a stable marketplace combined with selectivity among buyers who place increasing emphasis on quality horses. Virginia Kraft Payson acquired the two highest-priced horses, the half-sisters Summer Solo, in foal to Ghostzapper, for \$700,000, and Summer Sweet, by More Than Ready, for \$550,000,

both consigned by the Part Dispersal of the Estate of Sarah J. Leigh, for which Denali Stud was agent.

Two yearlings each fetched \$450,000: a filly by Arch, also purchased by Payson from the Leigh dispersal, and a colt by leading sire War Front, bought by Cromwell Bloodstock from the consignment of Greenfield Farm, agent.
