

November Breeding Stock Sale

73rd Annual

Keeneland/Photos by Z

The November Breeding Stock Sale is the world's premier Thoroughbred auction of its type in terms of total sales and average. The sale, conducted annually since 1944, includes broodmares, weanlings, horses of racing age, racing and broodmare prospects, stallions, stallion shares and seasons. With the exception of the early years and dispersals, yearlings have not been sold during November.

The 2015 November Sale immediately followed the Breeders' Cup World Championships at Keeneland.

Champion and broodmare prospect Take Charge Brandi sold for \$6 million to be the most expensive Thoroughbred sold at public auction in the world in 2015.
