KEENELAND HAS ADOPTED THE FOLLOWING TERMS AND STANDARDS RECOMMENDED BY THE AMERICAN ASSOCIATION OF EQUINE PRACTITIONERS (2025):

PREGNANT

Any filly or mare shall be characterized as “pregnant” if and only if a licensed veterinarian has made such a determination. Any such report should include the method of diagnosis (i.e. palpation per rectum, transrectal ultrasound, etc.) and the approximate length of gestation, if known. A statement regarding whether or not the examining veterinarian has determined that the pregnancy appears within normal limits should be included.

ABORTED

Any filly or mare that is not pregnant at the time of examination by a licensed veterinarian should be reported as “aborted” rather than “not pregnant” if the person rendering the report is actually aware that (a) an aborted fetus was observed or (b) the mare had been previously declared “pregnant” based on an examination by a licensed veterinarian at 42 days or more post-mating.

NOT PREGNANT

Any filly or mare that has been examined for pregnancy by a licensed veterinarian and found not to be pregnant at the time of that examination shall be characterized as “not pregnant”. Pregnancy examinations conducted by transrectal ultrasound prior to 14 days post ovulation may not detect pregnancy. Any such report shall include the method of determination.

SUITABLE FOR MATING

This is a subjective term used in sales conditions interpreting a single examination finding by a licensed veterinarian. This examination of the reproductive tract should include the ovaries, uterus, cervix, vagina, vestibule and perineum and should include palpation per rectum, and where practical, transrectal ultrasonography as well as visual examination of the vagina and cervix. While other tests and criteria can be used to further evaluate the animal's potential

fertility, employment of such techniques shall be at the discretion of the examiner or their client. Horses placed in “suitable for mating” category are based on the findings of a single examination consistent with a phenotypically normal female horse lacking major reproductive pathology. This categorization does not offer a guarantee of fertility. Additionally, a filly or mare that is “pregnant” or “___ days pregnant” at the time of the examination, as determined by palpation per rectum or transrectal ultrasound, shall also be characterized as “suitable for mating”, but does not reflect the examiner's opinion of the future ability or inability of the filly or mare to conceive or deliver a live foal.

MATING

The physical act of a stallion mounting a filly or mare with intromission of the penis. Artificial insemination qualifies as mating for breeds that permit artificial insemination.

MATED

Any filly or mare that has undergone the physical act of mating or artificial insemination but whose pregnancy status has not been determined.

STILLBORN

Any foal, after at least 320 days of gestation, that is dead at the time of delivery.

NEONATAL DEATH

Any foal that dies within 14 days of foaling from a medical condition determined to be existing at or dating from birth.

FOAL DIED

Any foal that stands and nurses unassisted and subsequently dies from a condition not determined to be existing at or dating from birth.

Consignor's Contract

Please Read Before Signing

For good and valuable consideration, including the entry of the horses herein listed in the 2026 November Horses of Racing Age Sale (the "Sale"), the undersigned consignor ("Consignor") hereby agrees to be bound to the following terms and conditions:

1. Consignor hereby represents and warrants that title and ownership of each horse, or interest therein, entered by Consignor is as further specified in this Consignor's Contract, and further represents and warrants that the title thereto is free from any pledges, security interests, liabilities, claims, liens, charges, mortgages, options, rights of first refusal, rights of first offer, equities, or encumbrances or limitations of any kind except as Consignor shall otherwise notify Keeneland Association, Inc. ("Keeneland") of in writing, at least 72 hours prior to the Sale date. In such event, Consignor agrees to furnish written consent of any lienholders or other claimants to sale and full agreement of all interested parties concerning disbursement of sales proceeds. If said full consent and agreement is not so received, Keeneland may, in its sole discretion, refuse to allow the horse(s) to be sold or hold any proceeds and Consignor shall be responsible for any unpaid entry or withdrawal fees as provided in paragraphs 2 and 3 herein. Consignor further agrees to defend said title against all conflicting or adverse claims not fully disclosed to Keeneland in writing prior to sale. **Consignor further covenants and agrees to indemnify, defend, and hold Keeneland harmless** from any and all costs, fees, liabilities, incidental and consequential expenses, including reasonable attorneys' fees, incurred because of or arising out of any question of title or any disputes concerning identity and/or engagements of any and all of the named horses included hereon, or resulting from any liens, attachments or other claims against the net proceeds from the sale thereof. If this Consignor's Contract is executed by an agent, the agent shall be individually and jointly and severally responsible and liable for and shall fully indemnify, defend, and hold harmless Keeneland for all damages arising out of any failure to set forth the full and correct ownership of each horse or for any lack of authority to execute this Consignor's Contract on behalf of all owners. Consignor represents and warrants the correct identity of all horses sold by Consignor in this Sale and that all title to, interest in, and possession of the named horses shall remain with Consignor until title passes to buyer(s) as provided under the Conditions of Sale. Consignor appoints Keeneland as Consignor's agent in this Sale with full authority to transfer title, to receive the net proceeds of such sale for Consignor's account **and to distribute such proceeds of sale to Consignor and such other parties as Keeneland reasonably believes to have an interest in the proceeds and in such priority as Keeneland reasonably believes appropriate. Consignor further appoints Keeneland as Consignor's agent for purposes of (a) taking a security interest for Consignor and/or the seller (to secure such obligations to Consignor and/or Seller in connection with the sale of any horse or other property or rights at the Sale as Keeneland, in its sole discretion, deems appropriate) from any buyer(s) in each horse or other property or rights entered by Consignor in the Sale and other property and/or rights, if any, deemed appropriate by Keeneland, in its sole discretion, and (b) filing any financing statement(s) deemed appropriate by Keeneland, in its sole discretion. Consignor also agrees that Keeneland may also take and perfect a security interest(s) in each such horse and any other property and rights for Keeneland's own account and any such security interest(s) taken for Keeneland's own account shall have priority over any such security interest(s) Keeneland takes as agent for Consignor. Consignor further covenants and agrees to indemnify, defend, and hold Keeneland harmless from any and all costs and fees (including, without limitation, reasonable attorneys' fees and costs), liabilities and other incidental and consequential expenses, incurred because of or arising out of either (a) any issue relating to the distribution of sales proceeds by Keeneland to Consignor or to any such other parties as Keeneland may deem appropriate and (b) any issue in connection with any security interest(s) taken or perfected (or not taken or perfected) by Keeneland for Keeneland's own account and/or as agent for Consignor or any seller.**

2. Consignor agrees to pay Keeneland the entry fee stated herein, which shall be nonrefundable except as provided herein. Consignor further agrees to pay one-half (1/2) of this amount prior to the date set forth on the entry form attached hereto and incorporated herein by this reference with the remaining one-half (1/2) due after the Sale. Consignor agrees to pay Keeneland a late charge of \$50.00 in the event Consignor fails to timely pay the first half of the entry fee. In addition to the entry fee, Consignor further agrees to pay to Keeneland a five percent (5%) commission of the final accepted bid exceeding \$10,000, by whomsoever made, on each horse sold for Consignor's account, with a minimum fee of \$500 on each horse sold. Notwithstanding the foregoing, if a horse is not sold because the reserve is not attained as listed on the sales results reports made available by Keeneland, Consignor agrees to pay a two and one-half percent (2.5%) commission of the hammer price exceeding \$10,000, established pursuant to this Consignor's Contract and the Conditions of Sale, in addition to the entry fee. Consignor further agrees that any unpaid portion of the entry fee and the commission as set forth herein may be deducted and retained by Keeneland from any of Consignor's accounts and that Keeneland may retain said fee and commission from any and all proceeds from whatever source which may be payable to any of Consignor's accounts, including any portion of proceeds due Consignor for Consignor's commission and expenses. In the event of a deficit in Consignor's account relating to any unpaid entry fees, late fees or commissions, Consignor shall immediately pay to Keeneland the balance due. **Keeneland shall charge and Consignor shall pay to Keeneland a late charge of one and one-half percent (1.5%) per month (or the maximum amount per-**

mitted by applicable law, if less) in the event the deficit is not paid within thirty (30) days of the Sale. Keeneland shall retain, and is hereby granted, a security interest and lien in all proceeds in any of Consignor's or owner's accounts for any unpaid fees or commission and Keeneland shall further retain, and is hereby granted, a security interest and lien in The Jockey Club Certificate of Foal Registration ("JCC") and Keeneland shall be entitled to hold said JCC for any such horses which are not sold until such commission has been paid in full or until any deficit in Consignor's or owner's account has been paid in full. Consignor, on behalf of each owner, recognizes and agrees that Keeneland may retain all JCC or other Jockey Club certificates related to each horse in its discretion, including without limitation where there is a dispute resulting from any alleged liens, attachments or other claims against the net proceeds from the sale thereof.

3. Consignor shall have the right to withdraw any or all of the horses named hereon at any time prior to the assignment of the hip number for the publication of the catalog, with such withdrawal to be made in writing. In the event of such withdrawal, Consignor shall be obligated to pay the first installment of the entry fees to Keeneland. Consignor agrees that horses listed hereon which arrive on the sales grounds will be presented for sale at the time scheduled unless excused by Keeneland due to a change of physical condition in the horse occurring during transportation to or after arrival at the sales grounds. Any request for excused withdrawal shall be accompanied by a veterinary certificate stating in detail the reason for the withdrawal. Keeneland may appoint a veterinarian of its choosing to examine the horse for which withdrawal is requested and the opinion of Keeneland's veterinarian as to whether there is a valid reason for withdrawal shall be binding and conclusive on all parties. The failure to offer the horse for sale after arrival on the sales grounds, unless excused by Keeneland, will result in an out fee being payable to Keeneland by the Consignor in an amount of two and one-half percent (2.5%) of the median sale price for the sale session in which the withdrawn horse was listed to be sold or \$1,000, whichever is greater. Consignor acknowledges by execution of this Consignor's Contract that Keeneland distributes its catalogs on a worldwide basis to thousands of potential buyers who may make arrangements to be present at Keeneland because of horses listed in the catalog and further acknowledges the credibility of Keeneland's sale is diminished if cataloged horses are withdrawn without excuse. In the event any horse listed hereon is withdrawn from the Sale after the assignment of the horse's hip number for publication in the sales catalog but prior to arrival on the sales grounds, and which is not excused thereafter by a veterinary certificate acceptable to Keeneland, Consignor shall pay Keeneland five percent (5%) of its fair market value at the time of withdrawal, as determined by Keeneland in its sole discretion, as liquidated damages, in addition to the entry fee. Further, in the event the horse so withdrawn is sold at a public or private sale any time after hip numbering and within three (3) months after this Sale, Keeneland shall, in its sole discretion, have the option of deeming that sales price to be the fair market value of the horse at the time of the withdrawal from this Sale for purposes of establishing the fee. If Consignor does not pay Keeneland said fee prior to the sale of Consignor's consignment, Consignor agrees that Keeneland may retain said fee from any and all proceeds payable to Consignor's and each owner's account from this Sale or any other sale. The parties further agree that the establishment of damages in the event of withdrawal or subsequent sale is difficult to determine and accept and acknowledge that the liquidated damages set forth herein are fair and reasonable. **Keeneland shall retain, and is hereby granted, a security interest and lien in all proceeds in Consignor's account for any unpaid fees** and Keeneland shall further retain a lien in the JCC and Certificates, and Keeneland shall be entitled to hold said JCC and Certificates for any such horses withdrawn from the Sale as provided above all fees and amounts due have been paid in full.

4. Consignor agrees that Keeneland shall have the right and sole and absolute discretion to extend credit to the purchaser of any horse sold by Consignor in this Sale. Consignor further agrees that, in the event the successful bidder for any horse or horses entered by Consignor in this Sale fails to present himself to Keeneland to arrange for settlement as provided for in Condition SIXTH of the Conditions of Sale, or should such bidder on presenting himself be determined to not have approved credit by Keeneland, such horse or horses may immediately be put up for sale for Consignor's account and Keeneland shall not be liable for any deficit should the final bid on resale be less than that on the initial sale. Consignor further agrees that, should conditions make immediate resale as herein provided impossible or impractical, as determined by Keeneland in its sole discretion, the horse or horses may be returned to Consignor as unsold with a waiver of sales commission by Keeneland. Consignor further agrees that Keeneland shall not be liable for any deficit and therefore Keeneland retains the right not to pay Consignor in the event a purchaser defaults and that any payment, in whole or in part, by Keeneland despite any purchaser's default shall not constitute a waiver nor establish a custom and shall not abrogate Keeneland's right to withhold payment from Consignor in any case where the purchaser has defaulted.

5. Consignor agrees that Keeneland reserves the right, in each case as determined in its sole and absolute discretion, to (a) reject any entry at any time for such reason as Keeneland shall deem appropriate, and Keeneland shall then return any entry fee paid only if the rejec-

tion is without reasonable cause; (b) determine the order of sale of all entries; (c) assign stabling facilities (and Keeneland shall have no obligation to assign the same or similar stabling facilities which may have been assigned to Consignor at previous sales); (d) change the time or date of this Sale or to cancel same should Keeneland so determine; **(e) set a minimum bid (upset price) for the horses sold in this Sale; and (f) refuse to sell any horse by auction if Keeneland has knowledge that said horse has been sold privately prior to said auction.**

6. Prior to the deadlines published on Keeneland's website, <https://www.keeneland.com/sales>, incorporated by this reference ("Published Deadline(s)"), Consignor agrees to deliver to Keeneland the following for each horse listed in this Sale: (a) **the JCC and all appropriate certificates (including without limitation the Stallion Service Certificate for all pregnant mares, if applicable); (b) an original Coggins certificate dated within six (6) months of the selling date and valid for at least two (2) weeks after the selling date; (c) an E.V.A. certificate (digital copies are acceptable) dated within three (3) months of the selling date; and (d) any other health certificate or information required by Keeneland.** If a mare has been mated to more than one stallion in a breeding season, Consignor will also furnish Keeneland with either (a) a barren certificate for the breeding to the first stallion and the Service Certificate for the subsequent mating to the second stallion or (b) the Stallion Service Certificates for the mating to both stallions. Keeneland may elect not to catalog any horse for which it does not timely receive all necessary documentation or if any such documentation is incomplete or deficient in any way, and in that event all of the nonrefundable fees either paid to or due Keeneland shall be due and owing. With respect to any horse for which the JCC has not been issued, Consignor hereby grants to The Jockey Club authority to deliver the JCC(s) directly to Keeneland. Consignor warrants that each horse entered is duly registered with The Jockey Club or will be so registered by date of sale. In the event a certificate cannot be delivered or assigned digitally for any reason, Consignor agrees to (a) accept rescission of the sale of such horse, (b) return all net sale proceeds if delivered to Consignor, (c) reimburse all affected parties for their respective expenses, and (d) pay any sales commissions due. Keeneland shall have the right to refuse to sell any horse for which all certificates or other papers are not timely delivered or assigned digitally or if any such documentation is incomplete or deficient in any way, or, alternatively, to withhold any monies due Consignor until all certificates or other papers are delivered or assigned digitally to Keeneland. In the event Keeneland elects to sell a horse for which any document or certificate is delivered or assigned digitally after the Published Deadline, a \$100 late fee per horse per late document/certificate will be charged against Consignor's account. If this Consignor's Contract is executed by an agent, the agent agrees to be jointly, severally, and personally liable with his principal for furnishing the documents provided for herein, and thus will be personally liable for all damages resulting from failure to furnish the aforesaid documents and agent further agrees to indemnify, defend, and hold Keeneland harmless for all such damages.

7. In the event this Consignor's Contract is executed by an authorized agent, such agent shall identify the true owner of the horse on this entry and in the **Consignor's Authorized Agent Form** which must be filed with Keeneland not later than **the Published Deadline. A \$100 penalty per property line will apply after this date**, and failure to file as required herein may result in exclusion of the horse(s) from the Sale. Agent warrants that he has actual authority to execute this Consignor's Contract on behalf of all owners of the horse(s). If the agent's principal(s) is not disclosed, agent acknowledges and agrees that he and his principal shall have full liability and responsibility, jointly and severally, arising out of the entry and/or sale of the horse(s).

8. Broodmares which are eighteen (18) years old or older, and which are presently not in foal, will not be accepted for this Sale. Broodmares which have not become pregnant or became pregnant and aborted for three (3) consecutive years, including the present year, will not be accepted for this Sale.

9. For two-year-olds in training and horses of racing age, Consignor represents and warrants to Keeneland and that, to the best of Consignor's knowledge, each horse entered by Consignor is free from disease and is sound and suitable for training and racing. In the event any horse entered by Consignor has a condition or defect which is covered in the limited warranties contained in the Conditions of Sale which govern this Sale, Consignor agrees to either notify Keeneland in order that appropriate announcements will be made prior to this Sale or place said information in the Repository as provided in the Conditions of Sale.

10. For two-year-olds in training and horses of racing age, Consignor represents that each horse in Consignor's consignment shall, at the time it enters the sales ring, have been in training for not less than ninety (90) continuous days prior to this Sale. In the event it should later be determined that this representation is false, Keeneland, in its sole discretion, may return the horse to Consignor as unsold and Consignor shall reimburse both Keeneland and the buyer for any expenses which either of them incurred and shall further pay Keeneland the entry fees and any sales commission.

11. For two-year-olds in training and horses of racing age, Consignor agrees that no horse entered by Consignor in this Sale shall be entered in a race on the day of this Sale or the day following, stakes races excepted, unless approved by Keeneland in writing in advance.

12. For two-year-olds in training and horses of racing age, Consignor hereby grants Keeneland the right to determine when the horses will be allowed to train prior to the Sale and to reject any horses as unacceptable for sale for any reason in Keeneland's sole discretion.

13. For two-year-olds in training and horses of racing age, Consignor shall be required to identify all horses in Consignor's consignment by hip numbered saddle cloths, provided by Keeneland while on the track prior to sale or such other method as Keeneland may, in its sole discretion, require.

14. For two-year-olds in training and horses of racing age, Consignor agrees to maintain daily training and racing records as applicable and to provide to Keeneland any training reports as required.

15. Consignor will be responsible for the care, custody, control and security of each horse consigned by Consignor until the fall of the hammer except in the case of horses two years of age or older, which are not being sold for breeding purposes only and which are being shipped out of state (and thus in interstate commerce), in which case title, risk of loss and possession shall remain with the Consignor until the horse(s) is delivered to a licensed interstate common carrier (or its duly authorized representative or employee) to be hired by Keeneland, at which time title, risk of loss and possession shall pass to the buyer.

16. KRS 230.357 makes it unlawful to pay or receive money or any item of value in excess of \$500.00 in connection with the sale and purchase of a horse except with the full disclosure and written consent of both purchaser and seller; provided, however, this prohibition shall not be applicable where the agent is acting solely for and compensated solely by his principal. Consignor affirmatively agrees to comply with the above referenced statute and otherwise comply with all applicable laws.

17. Keeneland reserves the right in its sole discretion to exclude any horse from entering the sales ring which has been judged by a veterinarian to be physically unfit for sale.

18. All information concerning sales prices, incidental and consequential sales expenses, the existence and amounts of liens, charges and other claims, and the final payment of accounts with respect to buyers, sellers and consignors shall not be deemed to be confidential in nature. All parties agree that Keeneland may, but shall not be required to, disclose such information without incurring liability to any party.

19. The Conditions of Sale governing this Sale include a Code of Conduct governing Agents and Principals. The Code of Conduct includes without limitation that all Agents owe a duty of good faith and loyalty to their Principal(s), and will act at all times in accordance with their Principal's best interests. Consignor affirmatively agrees that Consignor is bound by and will comply with the Code of Conduct, and the terms thereof are hereby incorporated by reference herein.

20. If Consignor desires to make any announcements or set a reserve price on any horse listed herein, Consignor must make such request in writing and submit it to the Keeneland reserve desk not later than thirty (30) minutes prior to the time of sale or at least ten (10) hip numbers prior to sale. Oral reserves shall not be accepted. Consignor agrees that Keeneland is absolved from any liability if these procedures are not strictly followed. Consignor is solely responsible for having such announcements made and for their accuracy and Consignor hereby releases and indemnifies, defends, and agrees to hold Keeneland harmless from any damages, attorneys' fees or costs, and other expenses and costs relating to any actual or alleged errors or omissions including Keeneland's own negligence in making or failing to make any such announcement. In the event Keeneland receives conflicting instructions from consignors and/or owners, Keeneland may elect not to recognize a reserve price in its sole discretion. Each party in that instance may then bid to protect his interest in accordance with the Conditions of Sale provided he has established authority to bid and the appropriate credit standing as provided in the Conditions of Sale.

21. Consignor agrees to be bound by the decision of all veterinarian arbitration panels ("Panel(s)") as provided in the Conditions of Sale. All proceedings of the Panel(s) shall take place in Lexington, Kentucky. Consignor agrees to be responsible for all expenses incurred by Consignor and the payment of the expenses incurred by the Panel in the event the buyer prevails in such proceedings. Additionally, Consignor understands no hearing will be held unless requested by the Panel, and Consignor waives any requirement of a hearing for such proceedings and further waives any right Consignor may have to participate in such proceedings. The findings of the Panel shall be final, binding and conclusive upon all involved parties.

22. Consignor acknowledges that Consignor has the option to place certain information in the Repository, which may include radiographs and endoscopic videos of Consignor's horse(s). Consignor acknowledges and agrees that Keeneland makes no warranty of any kind concerning the authenticity, sufficiency, completeness or accuracy of the information placed in the Repository, and knowledge of the Repository information shall not be imputed to Keeneland. **Consignor further agrees to indemnify, defend, and hold Keeneland harmless from any claim (including, without limitation, all attorneys' fees and costs, damages and other expenses related to any claim) arising out of the use of the Repository or any Veterinary Radiographic Reports by any person.** In the event Consignor elects

2026 November Horses of Racing Age Sale Consignor's Contract (cont.)

to place information in the Repository, Consignor warrants that Consignor has deposited in the Repository all of the required views mandated by Keeneland. Consignor further warrants the authenticity and validity of the views, and Consignor further warrants that radiographs submitted to the Repository were taken within the defined parameters for the specific sale as set forth in the Conditions of Sale (currently found in CONDITION TWENTY-FIRST). Consignor warrants the accuracy, validity and authenticity in all material respects of the Repository information placed by Consignor (or Consignor's agent) in the Repository as well as the accuracy, validity and authenticity in all material respects of any Veterinary Radiographic Reports. Breach of the foregoing warranties may result in Rejection of the sale and return of the horse, all as provided in the Conditions of Sale. Consignor acknowledges that pursuant to the Conditions of Sale, any Veterinary Radiographic Report distributed or shared by Consignor may form the basis for Rejection of the sale by Purchaser. If Keeneland determines, in its sole discretion, that Consignor has either placed incorrect information in, or omitted material information from, the Repository which results in information in the Repository being materially misleading, or a Veterinary Radiographic Report is materially misleading, in addition to all remedies provided under the Conditions of Sale, Keeneland may elect, in its sole discretion, to impose sanctions against Consignor, or such employees, agents or representatives acting on behalf of Consignor, which may include, without limitation, prohibiting Consignor from selling horses at future Keeneland sales.

23. Consignor, on behalf of himself and as agent for the owner of the horse(s) listed herein, agrees and acknowledges that Keeneland may collect and process personal information in connection with the sale of horses at Keeneland; Consignor has received and agrees to Keeneland's Privacy Policy ([available here](#)) and Terms of Service ([available here](#)), which are incorporated herein by reference; and consents to such processing as necessary to administer the sale and related transactions.

24. The Thoroughbred Aftercare Alliance (TAA) is a non-profit organization whose goal is to help retired Thoroughbreds. By entering a horse to sell at Keeneland, Sellers agree to contribute 0.1% of the sale price (\$1.00 for every \$1,000), which will be matched by both the Purchaser and Keeneland, for a total of 0.3% of the sale price (\$3.00 per \$1,000). Consignor authorizes Keeneland to withhold and pay the stated amount to TAA or another aftercare organization designated by Keeneland and agrees that, with the execution of this Consignor's Contract, same shall be a valid and binding obligation of Consignor which is not subject to rescission.

25. NTRA's Check-off Program helps fund the NTRA's federal legislative advocacy efforts to benefit the industry. Sellers may support the Program by voluntarily enrolling their sale horses and committing \$2.50 for every \$1,000 in sale price. In the event Consignor has checked the box directing that 0.25% of proceeds of sale shall go to the NTRA, Consignor authorizes Keeneland to withhold and pay the stated amount to NTRA and agrees that, with the execution of this Consignor's Contract, same shall be a valid and binding obligation of Consignor which is not subject to rescission.

26. Consignor acknowledges that Keeneland maintains an Ownership Registry where Consignor and/or Seller has the option to place information regarding ownership of horse(s) in the Sale. Disclosure of ownership of horses is encouraged, and information in the Ownership Registry and/or the sales catalog must be materially accurate. In the event that a change in ownership occurs after the horse is on Keeneland sales grounds, regardless of whether there was a prior disclosure of ownership made in the Ownership Registry or the sales catalog, Consignor shall disclose to Keeneland in writing that a change in ownership has occurred, and an announcement disclosing that a change in ownership has occurred shall be made by the auctioneer prior to the sale of the horse. The American Academy of Equine Practitioners ("AAEP") discourages veterinarians with ownership in horses being presented for public auction from being involved in the representation of those horses to potential buyers including, but not limited to, performing a radiographic or endoscopic assessment. Keeneland concurs with the AAEP's policy, and further, Consignor agrees that, in his capacity as agent or owner, as the case may be, Consignor shall disclose a veterinarian's ownership of the horse(s) in the event the veterinarian will be involved in the representation of a horse to potential buyers.

27. Consignor has read the above conditions and accepts them. Furthermore, Consignor agrees to abide and be bound by all other established rules and regulations under which Keeneland conducts its business, specifically all warranties, covenants and provisions contained in the Conditions of Sale which govern this Sale. Consignor further acknowledges that Keeneland's Conditions of Sale may be from time to time amended as Keeneland deems appropriate in its sole discretion. **The Conditions of Sale that appear in the sales catalog and on Keeneland's website for this Sale shall be controlling** and are hereby **incorporated by reference** in this Consignor's Contract, as the same may be from time to time amended. Defined terms used and not specifically defined herein shall have the meaning as defined in the Conditions of Sale. Consignor further acknowledges that Keeneland may waive various portions of its requirements from time to time, and in that event, Consignor understands and agrees that such waiver shall not constitute any custom which shall bind Keeneland to make any similar waiver in the future. Consignor acknowledges that Consignor

is solely responsible for the accuracy of all information provided herein and all information provided to Keeneland and that Consignor has the affirmative duty to examine the catalog page(s) on which horses consigned by Consignor appear, prior to the Sale, (and any information regarding the horses listed on the website) and to report any inaccuracies to Keeneland so that it may make an appropriate announcement at time of this Sale. Consignor without further consideration shall properly take all such actions and shall promptly execute and deliver such documents as may be reasonably requested by Keeneland.

28. FOR FRACTIONAL INTERESTS OFFERED IN THIS SALE: If any of the horse(s) listed herein are fractional or other interests ("Fractional Interests"), in addition to the representations and warranties set forth above, Consignor further represents, warrants, and covenants, on behalf of Consignor and each owner, to Keeneland as follows:

a. Owner owns the Fractional Interest free and clear of any and all pledges, security interests, mortgages, liabilities, claims, liens, charges, encumbrances, equities, claims, options or limitations of every kind ("Claims"). Owner is the record and beneficial owner of the Fractional Interest and has the sole and absolute right to sell the Fractional Interest at public auction. The Fractional Interest is duly authorized, validly issued, fully paid, and non-assessable.

b. To the extent any party has any rights in or to or in connection with the Fractional Interest under any agreement including but not limited to a syndicate or co-ownership agreement, including, but not limited to, rights of first refusal, rights of first offer, notices, or otherwise ("Ownership Rights"), such rights have been either duly waived or fully complied with, or will be duly waived or complied with at the time of sale, and there is no impediment to the sale of the Fractional Interest as contemplated herein. No authorization, approval, or consent by any other third party is required in connection with the sale of the Fractional Interest.

c. The sale of the Fractional Interests will not violate, conflict with or result in a breach of or default under any of the terms, conditions or provisions of any agreement or other instrument to which any owner is a party or any provision of any law or regulation applicable to any owner.

d. Owner shall make available to any prospective purchaser or bidder any syndicate, co-ownership, or other agreement (whether written, oral, or otherwise) to which the Fractional Interest may be subject or if no such agreement(s) exist, by signing below Consignor represents and warrants that no such agreement(s) exist.

e. Consignor, on behalf of each owner, has the full legal power, capacity and authority to consummate the sale of any Fractional Interest. This agreement is duly and validly executed by Consignor and constitutes valid and binding obligations of Consignor and each owner, enforceable against each such party in accordance with its terms.

29. **Consignor**, on behalf of himself and each owner, irrevocably and expressly waives and releases Keeneland and its affiliates, and each of their respective directors, principals, trustees, officers, shareholders, employees and agents (collectively, the "Keeneland Parties"), from and against any and all liability in connection with the sale, use and/or functionality of the Fractional Interest. Consignor **agrees to indemnify, defend, and hold the Keeneland Parties harmless from any and all claims, losses and damages**, liabilities, deficiencies, claims, actions, judgments, settlements, interest, awards, penalties, fines, costs or expenses of whatever kind **including attorneys' fees**, and the costs of enforcing any right to indemnification hereunder, and the cost of pursuing any insurance providers **arising from (a) Keeneland's settlement of Consignor's account and payment of proceeds of this Sale; and (b) all other activities connected with this Sale, including, but not limited to (i) the use of Keeneland's facilities by Consignor and Consignor's agents and employees and Consignor's third-party contractors; (ii) the making (and the accuracy) of all announcements made prior to and during this Sale; (iii) the resolution of disputes relating to the condition of the horse(s) and any limited warranties relating thereto; (iv) the use of the Keeneland Repository; (v) any representation or warranty of Consignor or owner herein; (vi) any other action taken by Keeneland in either implementing or upholding either the Conditions of Sale and this Consignor's Contract; and (vii) the sale, use and/or functionality of any Fractional Interest.**

30. **If the Consignor is executing this Consignor's Contract as agent for the owner of the horse(s) listed herein, both agent and owner shall be jointly and severally liable to Keeneland for all such obligations arising hereunder. If the Consignor is acting as an agent of the owner of the horse(s) listed herein, the owner shall be deemed to have full knowledge of any information conveyed by Keeneland to Consignor. By execution of this Consignor's Contract, Consignor, in his capacity as agent or owner, accepts the terms of the Consignor's Contract and the Conditions of Sale for any and all horses which Consignor may enter or have entered via online information transfer.**
