SPRING 2026

Welcome TO KEENELAND

This year, the eyes of the Thoroughbred world are on Keeneland.

The focus begins this month with the April 3-24 Spring Meet, 15 days of racing for the sport's best horses and horsemen who are competing for a season-record \$9.55 million for 19 stakes races. The action includes two Grade 1 targets of talented 3-year-olds: the 102nd running of the \$1.25 million Toyota Blue Grass and the 89th running of the \$750,000 Central Bank Ashland.

Keeneland also is extremely excited this April because the Spring Meet marks the public grand opening of our new three-level Paddock Building, designed to expand viewing and dining experiences for some 1,000 fans during race meets, enhance hospitality during sales and provide exceptional new venues for special events year-round. During the 2025 Fall Meet, you saw the first round of enhancements here, led by a Saddling Paddock that was repositioned to safely give fans an unmatched view of the horses and a Stakes Winner's Circle, where you can share in the thrill of victory alongside the winners of all stakes races.

We thank all of you — owners, trainers, jockeys, horseplayers and fans — for your commitment to Keeneland and to the beautiful sport of

Thoroughbred racing. Special thanks also goes to our valued Spring Meet race sponsors: Baird, Central Bank, FanDuel, Japan Racing Association, Keeneland Sales, Keeneland Select, Maker's Mark, MiddleGround Capital, Resolute Racing, Stonestreet, Toyota, UK HealthCare, Valvoline Global and VisitLEX.

Keeneland's action continues with the April Selected Horses of Racing Age Sale after the races on closing day of the Spring Meet, followed by the September Yearling Sale; Fall Meet and Breeders' Cup World Championships in October; and the November Breeding Stock Sale, November Horses of Racing Age Sale and Sporting Art Auction in the penultimate month of the year. We are especially proud to be hosting the Breeders' Cup for the fourth time and look forward to seeing you here Oct. 30-31.

Please enjoy all the excitement during this sensational year at Keeneland!

KEENELAND

Keeneland and the Thoroughbred racing industry appreciate the participation of all owners of horses at the race meet. Owners invest in racehorses both as a sporting and business proposition. They not only pay to buy the horses but also for their training, veterinary and general care, and employ the jockeys who ride them.

The owners listed have horses running today, and Keeneland salutes them for their support.

RULES ON PICK THREE, PICK FOUR, PICK FIVE & PICK SIX

PICK THREE

- A late scratch in the first leg of a Pick Three wager results in a refund.
- A late scratch in either the second or third leg of a Pick Three wager does not result in a refund, but entitles the ticket holder to a consolation payoff if the winners of the other two legs are selected.
- Any change in racing surface for the second and third legs of the Pick Three, that was not made known to the public prior to the start of the first race of the Pick Three sequence, results in an "All Win" situation. All Pick Three tickets will receive the winner of the affected race as the selection for that race.

PICK FOUR

- A late scratch in any leg of the Pick Four will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- There are no consolation payoffs in the Pick Four.
- Any change in racing surface for the second, third, and fourth legs of the Pick Four, that was not made known to the public prior to the start of the first race of the Pick Four sequence, results in an "All Win" situation. All Pick Four tickets will receive the winner of the affected race as the selection for that race.
- There are no carryovers in the Pick Four; if no perfect tickets are sold the wager will pay to all tickets with the greatest number of winners.

PICK FIVE

- A late scratch in any leg of the Pick Five will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- Any change in racing surface for any leg of the Pick Five, that was not made known to the public prior to the start of the first race of the Pick Five sequence, results in an "All Win" situation. All Pick Five tickets will receive the winner of the affected race as the selection for that race.

- All winning tickets with five correct selections will share in 75% of the daily net pool, and 100% of the carryover. When there are winning tickets with five correct selections, all ticket holders with four correct selections share in 25% of the daily net pool.
- If there are no tickets with five winners, all ticket holders with the greatest number of winners share in 25% of the daily net pool, with the remainder of the net pool carried over to the next racing day. There is a mandatory payout of the entire net pool on the last day of the race meet. Please note: The Early Pick Five carries over to the Early Pick Five on the next racing day. The Late Pick Five carries over to the Late Pick Five on the next racing day.

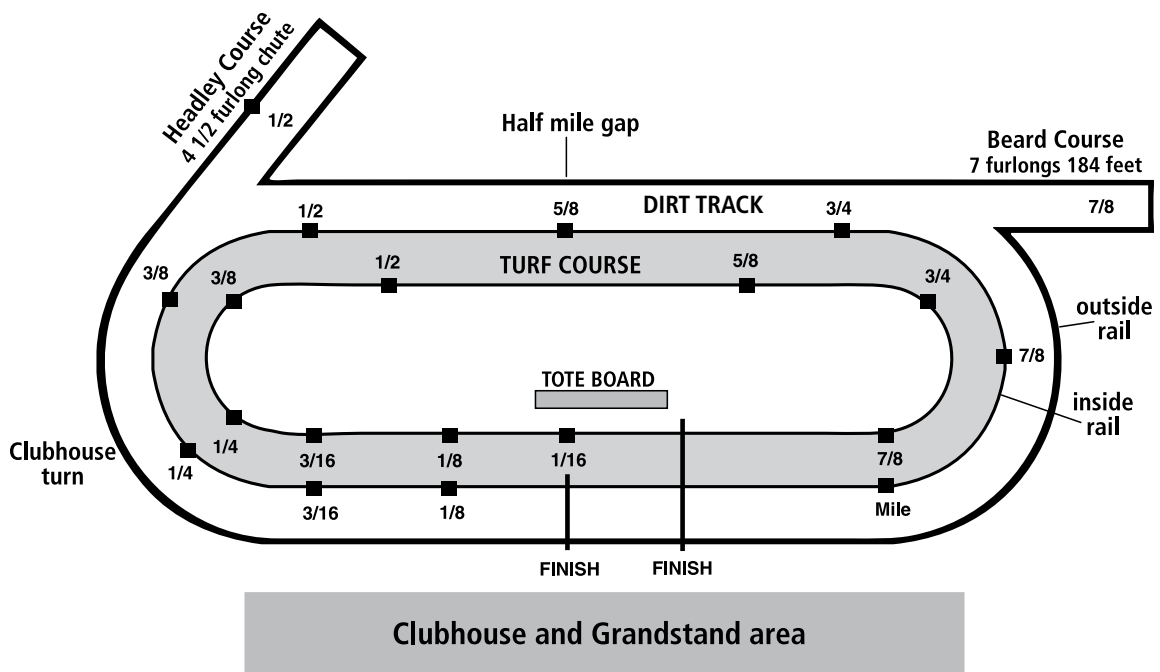

PICK SIX

- A late scratch in any leg of the Pick Six will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- Any change in racing surface for any leg of the Pick Six, that was not made known to the public prior to the start of the first race of the Pick Six sequence, results in an "All Win" situation. All Pick Six tickets will receive the winner of the affected race as the selection for that race.
- All winning tickets with six correct selections will share in 75% of the daily net pool, and 100% of the carryover. When there are winning tickets with six correct selections, all ticket holders with five correct selections share in 25% of the daily net pool.
- If there are no tickets with six winners, all ticket holders with the greatest number of winners share in 25% of the daily net pool, with the remainder of the net pool carried over to the next racing day. There is a mandatory payout of the entire net pool on the last day of the race meet.

TRACK LAYOUT

This diagram shows Keeneland's mile and one-sixteenth main track and 7 1/2-furlong turf course. Red and white poles, set a quarter-mile apart, mark the course, with green and white poles dividing the quarters into eighths. The black and white poles divide the eighths into sixteenths of a mile. The poles are referred to in terms of distance from the finish.

The quarter pole, for example, is a quarter-mile from the finish line. In addition to its main finish line on the main track, Keeneland has an alternate finish line coinciding with the sixteenth pole. This alternate finish line permits the running of mile and one-sixteenth races, with the start and finish at the sixteenth pole. The finish line used in each race is marked with a large red disk.

Keeneland Library's newest exhibit and education initiative,

Raíces: The Making of Latino Legacies in Racing, showcases 100 groundbreaking Latino figures in the Thoroughbred racing and breeding industry from the late 1800s to today.

The exhibit features biographical vignettes and never-before-displayed photography and memorabilia highlighting men and women from across the Americas and the breadth and depth of their indelible marks on the history. Raíces – or roots – are emblematic of their respective stories, individual and collective heritage, and legacies sowed and sustained at every level of the sport over time.

The exhibit, sponsored by the Keeneland Association and Susan Naylor / Safari North LLC and supported with 250LEX Cultural Grant funding, is freely accessible to visitors of all ages during Keeneland Library's operating hours of Monday through Friday from 8:30 a.m. to 4:30 p.m.

To schedule a free exhibit tour or educational experience, call 859-288-4223.
