SPRING 2024

WELCOME TO KEENELAND

We're very happy to welcome you to the 2024 Spring Meet during this exciting time.

Keeneland announced last October that we are constructing a three-level Paddock Building with a reimagined saddling experience. The new Paddock Building will expand viewing and dining experiences available to fans during race meets, enhance hospitality during horse auctions and provide exceptional new venues for special events year-round. Furthering our culture of equine safety, the saddling stalls will be repositioned to provide the safest environment possible for equine and human participants and to give fans an unmatched view of the Paddock.

Plans are to complete the project in the Fall of 2025. Race meets and sales will continue at full capacity during construction. For the latest information, visit Keeneland.com/paddockbuilding.

Keeneland's mission is to be a model race track and internationally leading sales company, to invest in the future of our sport, to enrich our Central Kentucky community and to always do what is best for the horse. This project is central to our mission because it will allow us to welcome more guests and give them a variety of world-class experiences. Improvements to our saddling processes are not only functional in providing more space for horses and horsemen, but the results will offer unobstructed views to showcase the beauty and pageantry of our equine and human athletes.

Meanwhile, Keeneland has a spectacular 16-day Spring Meet from April 5-26, when we will award a season-record \$8.1 million for 19 stakes races. Leading the schedule are the 100th running of the \$1 million Toyota Blue Grass and the 87th running of the Central Bank Ashland, both Grade 1 targets of the nation's top 3-year-olds.

Thanks to the owners, trainers, jockeys, horseplayers and fans for your tremendous support of Keeneland, especially during this time of many changes. Thanks also to the sponsors of Spring Meet stakes: Baird, Central Bank, FanDuel, Japan Racing Association, Keeneland Select, Maker's Mark, MiddleGround Capital, Resolute Racing, Stonestreet, Toyota and VisitLEX.

We know your entry to the track today looked different, but you can expect the same Keeneland experience you know and love. Thank you for your commitment to Keeneland and for helping us perpetuate the very best of Thoroughbred racing.

Enjoy the races!

Keeneland President and CEO

KEENELAND

Keeneland and the Thoroughbred racing industry appreciate the participation of all owners of horses at the race meet. Owners invest in racehorses both as a sporting and business proposition. They not only pay to buy the horses but also for their training, veterinary and general care, and employ the jockeys who ride them.

The owners listed have horses running today, and Keeneland salutes them for their support.

RULES ON PICK THREE, PICK FOUR, PICK FIVE & PICK SIX

PICK THREE

- A late scratch in the first leg of a Pick Three wager results in a refund.
- A late scratch in either the second or third leg of a Pick Three wager does not result in a refund, but entitles the ticket holder to a consolation payoff if the winners of the other two legs are selected.
- Any change in racing surface for the second and third legs of the Pick Three, that was not made known to the public prior to the start of the first race of the Pick Three sequence, results in an "All Win" situation. All Pick Three tickets will receive the winner of the affected race as the selection for that race.

PICK FOUR

- A late scratch in any leg of the Pick Four will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- There are no consolation payoffs in the Pick Four.
- Any change in racing surface for the second, third, and fourth legs of the Pick Four, that was not made known to the public prior to the start of the first race of the Pick Four sequence, results in an "All Win" situation. All Pick Four tickets will receive the winner of the affected race as the selection for that race.
- There are no carryovers in the Pick Four; if no perfect tickets are sold the wager will pay to all tickets with the greatest number of winners.

PICK FIVE

- A late scratch in any leg of the Pick Five will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- Any change in racing surface for any leg of the Pick Five, that was not made known to the public prior to the start of the first race of the Pick Five sequence, results in an "All Win" situation. All Pick Five tickets will receive the winner of the affected race as the selection for that race.

- All winning tickets with five correct selections will share in 75% of the daily net pool, and 100% of the carryover. When there are winning tickets with five correct selections, all ticket holders with four correct selections share in 25% of the daily net pool.
- If there are no tickets with five winners, all ticket holders with the greatest number of winners share in 25% of the daily net pool, with the remainder of the net pool carried over to the next racing day. There is a mandatory payout of the entire net pool on the last day of the race meet. Please note: The Early Pick Five carries over to the Early Pick Five on the next racing day. The Late Pick Five carries over to the Late Pick Five on the next racing day.

PICK SIX

- A late scratch in any leg of the Pick Six will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- Any change in racing surface for any leg of the Pick Six, that was not made known to the public prior to the start of the first race of the Pick Six sequence, results in an "All Win" situation. All Pick Six tickets will receive the winner of the affected race as the selection for that race.
- All winning tickets with six correct selections will share in 75% of the daily net pool, and 100% of the carryover. When there are winning tickets with six correct selections, all ticket holders with five correct selections share in 25% of the daily net pool.
- If there are no tickets with six winners, all ticket holders with the greatest number of winners share in 25% of the daily net pool, with the remainder of the net pool carried over to the next racing day. There is a mandatory payout of the entire net pool on the last day of the race meet.

TRACK LAYOUT

This diagram shows Keeneland's mile and one-sixteenth main track and 7 1/2-furlong turf course. Red and white poles, set a quarter-mile apart, mark the course, with green and white poles dividing the quarters into eighths. The black and white poles divide the eighths into sixteenths of a mile. The poles are referred to in terms of distance from the finish.

The quarter pole, for example, is a quarter-mile from the finish line. In addition to its main finish line on the main track, Keeneland has an alternate finish line coinciding with the sixteenth pole. This alternate finish line permits the running of mile and one-sixteenth races, with the start and finish at the sixteenth pole. The finish line used in each race is marked with a large red disk.

MIDDLEGROUND CAPITAL

WHO IS MIDDLEGROUND?

We're a Lexington-native founded and run private equity firm! We use investor funds to purchase companies, make improvements, and sell them to return a profit. Our leaders come from the manufacturing floor and are experienced in managing companies that range from the lower middle market to the Fortune 500.

WHAT DO WE INVEST IN?

MiddleGround invests in North American and European mid-market B2B industrials, manufacturing, and specialty distribution businesses. That can look like businesses that manufacture car engine components or garage door components, to facilities that produce and distribute metal bars.

With our expertise, we turn good businesses, into great ones.

MIDDLEGROUND IN THE COMMUNITY

We truly believe in watering where you're planted, and as a Lexington-founded firm, we're proud to support local organizations including God's Pantry, Junior Achievement, Big Brothers Big Sisters, the University of Kentucky, Reforest the Bluegrass, and more.

Our motto is to "Leave everything better than we found it." and we breathe that mission.
