FALL 2024

WELCOME TO KEENELAND

As you can see, a lot of exciting things are happening around here.

Work is progressing on the construction project we announced last fall—led by a three-level Paddock Building with a reimagined saddling experience. The new Paddock Building will expand viewing and dining experiences for fans during race meets and enhance client hospitality for our auctions. In furtherance of Keeneland’s culture of equine safety, the saddling stalls will be repositioned to provide the safest environment possible for horses and riders and to give fans an unmatched view of the Saddling Paddock. Plans are for the project to be completed a year from now. For the latest, visit Keeneland.com/paddockbuilding.

Meanwhile, this Fall Meet is the most lucrative racing season in Keeneland history. During 17 days of racing from Oct. 4–26, we will award a total of \$9.85 million for 22 stakes led by the richest race in our history: the \$1.25 million Coolmore Turf Mile (G1) during the signature Fall Stars Weekend over the first three days of the season.

Special events include Sunrise Trackside, Jockey Autograph Signing, Make-A-Wish Day, Big Blue Day, Kids Club Family Day Presented by Kentucky Children’s

Hospital, College Scholarship Day Presented by Lane’s End, Heroes Day and Teacher Appreciation Day. Handicappers will participate in the weekly WINS-Day Challenge Presented by Malone’s and two popular contests: the Fall \$400 Challenge and the Fall Breeders’ Cup Betting Challenge/National Handicapping Challenge.

Thanks to stakes sponsors Bank of America, Castle & Key Distillery, Claiborne Farm, Coolmore, Darley, Dixiana, FanDuel, Hagyard Equine Medical Institute, Juddmonte, Keeneland Sales, Keeneland Select, Lexus of Lexington, Rood & Riddle Equine Hospital, Stoll Keenon Ogden, Thoroughbred Club of America and UK HealthCare. This season marks the 20th running of the Spinster (G1) for sponsor Juddmonte and the 20th running of the Raven Run (G2) for sponsor Lexus of Lexington.

We also thank our owners, trainers, jockeys, horseplayers and fans for their passion for the horse, for racing and for Keeneland. You make Keeneland incredibly special. Enjoy the races!

Keeneland President and CEO

8th Day – Sunday, October 13, 2024 • Post Time 1:00 p.m. (ET)

Keeneland and the Thoroughbred racing industry appreciate the participation of all owners of horses at the race meet. Owners invest in racehorses both as a sporting and business proposition. They not only pay to buy the horses but also for their training, veterinary and general care, and employ the jockeys who ride them.

The owners listed have horses running today, and Keeneland salutes them for their support.

RULES ON PICK THREE, PICK FOUR, PICK FIVE & PICK SIX

PICK THREE

- A late scratch in the first leg of a Pick Three wager results in a refund.
- A late scratch in either the second or third leg of a Pick Three wager does not result in a refund, but entitles the ticket holder to a consolation payoff if the winners of the other two legs are selected.
- Any change in racing surface for the second and third legs of the Pick Three, that was not made known to the public prior to the start of the first race of the Pick Three sequence, results in an "All Win" situation. All Pick Three tickets will receive the winner of the affected race as the selection for that race.

PICK FOUR

- A late scratch in any leg of the Pick Four will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- There are no consolation payoffs in the Pick Four.
- Any change in racing surface for the second, third, and fourth legs of the Pick Four, that was not made known to the public prior to the start of the first race of the Pick Four sequence, results in an "All Win" situation. All Pick Four tickets will receive the winner of the affected race as the selection for that race.
- There are no carryovers in the Pick Four; if no perfect tickets are sold the wager will pay to all tickets with the greatest number of winners.

PICK FIVE

- A late scratch in any leg of the Pick Five will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- Any change in racing surface for any leg of the Pick Five, that was not made known to the public prior to the start of the first race of the Pick Five sequence, results in an "All Win" situation. All Pick Five tickets will receive the winner of the affected race as the selection for that race.

- All winning tickets with five correct selections will share in 75% of the daily net pool, and 100% of the carryover. When there are winning tickets with five correct selections, all ticket holders with four correct selections share in 25% of the daily net pool.
- If there are no tickets with five winners, all ticket holders with the greatest number of winners share in 25% of the daily net pool, with the remainder of the net pool carried over to the next racing day. There is a mandatory payout of the entire net pool on the last day of the race meet. Please note: The Early Pick Five carries over to the Early Pick Five on the next racing day. The Late Pick Five carries over to the Late Pick Five on the next racing day.

PICK SIX

- A late scratch in any leg of the Pick Six will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- Any change in racing surface for any leg of the Pick Six, that was not made known to the public prior to the start of the first race of the Pick Six sequence, results in an "All Win" situation. All Pick Six tickets will receive the winner of the affected race as the selection for that race.
- All winning tickets with six correct selections will share in 75% of the daily net pool, and 100% of the carryover. When there are winning tickets with six correct selections, all ticket holders with five correct selections share in 25% of the daily net pool.
- If there are no tickets with six winners, all ticket holders with the greatest number of winners share in 25% of the daily net pool, with the remainder of the net pool carried over to the next racing day. There is a mandatory payout of the entire net pool on the last day of the race meet.

TRACK LAYOUT

This diagram shows Keeneland's mile and one-sixteenth main track and 7 1/2-furlong turf course. Red and white poles, set a quarter-mile apart, mark the course, with green and white poles dividing the quarters into eighths. The black and white poles divide the eighths into sixteenths of a mile. The poles are referred to in terms of distance from the finish.

The quarter pole, for example, is a quarter-mile from the finish line. In addition to its main finish line on the main track, Keeneland has an alternate finish line coinciding with the sixteenth pole. This alternate finish line permits the running of mile and one-sixteenth races, with the start and finish at the sixteenth pole. The finish line used in each race is marked with a large red disk.
