FALL 2025

WELCOME TO KEENELAND

Founded in the 1930s, Keeneland has a mission to be a model race track and internationally leading sales company; to invest in the future of our sport; to enrich our Central Kentucky community; and to always do what is best for the horse. The 2025 Fall Meet is a living expression of this mission and a celebration of racing's most treasured traditions made unforgettable by the people, the moments and the legacy that unite us season after season.

This Fall also marks an important milestone as we unveil the first phase of construction enhancements to our historic grounds. While you're here, you'll see a reimagined Saddling Paddock for improved viewing of our racing stars, along with a new Stakes Winner's Circle in the Paddock area that brings our stakes winners back through the Paddock for a moment of celebration. We look forward to sharing our second phase of construction—including unique dining experiences in the Paddock Building—during the 2026 Spring Meet.

See the next page for more information about the initial phase of Keeneland's new construction enhancements—including a reimagined Saddling Paddock, new Jockeys Quarters and ceremonial Stakes Winner's Circle—all designed to elevate the race-day experience.

Keeneland is proud to offer such special events this month as Sunrise Trackside, Make-A-Wish Day, Kids Club Family Day Presented by Kentucky Children's Hospital and College Scholarship Day Presented by Lane's End.

Thanks to our stakes sponsors Bank of America, Castle & Key Distillery, Claiborne Farm, Coolmore, Darley, Dean Dorton, Dixiana, FanDuel, Hagyard Equine Medical Institute, Juddmonte, Keeneland Sales, Keeneland Select, Lexus, Rood & Riddle, Stoll Keenon Ogden and Thoroughbred Club of America. We also are indebted to our owners, trainers, jockeys, horseplayers and fans for enabling Keeneland to fulfill its mission with passion and enthusiasm.

Enjoy the races!

SHANNON B. ARVIN
Keeneland President and CEO

KEENELAND

Keeneland and the Thoroughbred racing industry appreciate the participation of all owners of horses at the race meet. Owners invest in racehorses both as a sporting and business proposition. They not only pay to buy the horses but also for their training, veterinary and general care, and employ the jockeys who ride them.

The owners listed have horses running today, and Keeneland salutes them for their support.

RULES ON PICK THREE, PICK FOUR, PICK FIVE & PICK SIX

PICK THREE

- A late scratch in the first leg of a Pick Three wager results in a refund.
- A late scratch in either the second or third leg of a Pick Three wager does not result in a refund, but entitles the ticket holder to a consolation payoff if the winners of the other two legs are selected.
- Any change in racing surface for the second and third legs of the Pick Three, that was not made known to the public prior to the start of the first race of the Pick Three sequence, results in an "All Win" situation. All Pick Three tickets will receive the winner of the affected race as the selection for that race.

PICK FOUR

- A late scratch in any leg of the Pick Four will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- There are no consolation payoffs in the Pick Four.
- Any change in racing surface for the second, third, and fourth legs of the Pick Four, that was not made known to the public prior to the start of the first race of the Pick Four sequence, results in an "All Win" situation. All Pick Four tickets will receive the winner of the affected race as the selection for that race.
- There are no carryovers in the Pick Four; if no perfect tickets are sold the wager will pay to all tickets with the greatest number of winners.

PICK FIVE

- A late scratch in any leg of the Pick Five will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- Any change in racing surface for any leg of the Pick Five, that was not made known to the public prior to the start of the first race of the Pick Five sequence, results in an "All Win" situation. All Pick Five tickets will receive the winner of the affected race as the selection for that race.

- All winning tickets with five correct selections will share in 75% of the daily net pool, and 100% of the carryover. When there are winning tickets with five correct selections, all ticket holders with four correct selections share in 25% of the daily net pool.
- If there are no tickets with five winners, all ticket holders with the greatest number of winners share in 25% of the daily net pool, with the remainder of the net pool carried over to the next racing day. There is a mandatory payout of the entire net pool on the last day of the race meet. Please note: The Early Pick Five carries over to the Early Pick Five on the next racing day. The Late Pick Five carries over to the Late Pick Five on the next racing day.

PICK SIX

- A late scratch in any leg of the Pick Six will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- Any change in racing surface for any leg of the Pick Six, that was not made known to the public prior to the start of the first race of the Pick Six sequence, results in an "All Win" situation. All Pick Six tickets will receive the winner of the affected race as the selection for that race.
- All winning tickets with six correct selections will share in 75% of the daily net pool, and 100% of the carryover. When there are winning tickets with six correct selections, all ticket holders with five correct selections share in 25% of the daily net pool.
- If there are no tickets with six winners, all ticket holders with the greatest number of winners share in 25% of the daily net pool, with the remainder of the net pool carried over to the next racing day. There is a mandatory payout of the entire net pool on the last day of the race meet.

TRACK LAYOUT

This diagram shows Keeneland's mile and one-sixteenth main track and 7 1/2-furlong turf course. Red and white poles, set a quarter-mile apart, mark the course, with green and white poles dividing the quarters into eighths. The black and white poles divide the eighths into sixteenths of a mile. The poles are referred to in terms of distance from the finish.

The quarter pole, for example, is a quarter-mile from the finish line. In addition to its main finish line on the main track, Keeneland has an alternate finish line coinciding with the sixteenth pole. This alternate finish line permits the running of mile and one-sixteenth races, with the start and finish at the sixteenth pole. The finish line used in each race is marked with a large red disk.
