FALL 2026

Welcome TO KEENELAND

Shannon B. Arvin
KEENELAND PRESIDENT AND CEO

Please help us celebrate a momentous October as we welcome fans for a 17-day Fall Meet from Oct. 2-24, celebrate Keeneland's 90th anniversary on Oct. 15, conduct the third Championship Sale on Oct. 28 at Castleton and host the Breeders' Cup World Championships for a fourth time with the 43rd running of the event on Oct. 30-31.

Keeneland, which was developed on property owned by John Oliver "Jack" Keene, opened Oct. 15, 1936 for nine days of racing that drew tremendous fanfare from Lexington and beyond. Ninety years later, Keeneland is an international leader in Thoroughbred racing and sales, carrying forward the vision of its founders: to be a model race track and sales company, invest in the future of the sport, enrich our Central Kentucky community and always do what is best for the horse.

The Fall Meet will feature 22 stakes worth a combined $10.7 million. The richest race of the season is the $1.25 million Coolmore Turf Mile (G1), which will be run Saturday, Oct. 3 during the first three days of the meet and the 25th anniversary of the signature Fall Stars Weekend. Eight Fall Stars stakes are part of the "Breeders' Cup Challenge Series: Win and You're In," giving winners automatic starting positions and free entry into the Breeders' Cup.

We wish to recognize our stakes sponsors and thank them for their support and dedication to excellence: Bank of America, Castle & Key Distillery, Claiborne Farm, Coolmore, Darley, Dean Dorton, Dixiana, FanDuel, Hagyard Equine Medical Institute, Juddmonte, Keeneland Sales, Keeneland Select, Lexus of Lexington, Rood & Riddle, Stoll Keenon Ogden and Thoroughbred Club of America.

In addition to world-class Thoroughbred racing, October at Keeneland offers something for everyone, with special events including Sunrise Trackside, Make-A-Wish Day, Kids Club Family Day Presented by Golisano Children's at UK and College Scholarship Day Presented by Lane's End. Handicappers can put their skills to the test through the weekly WINS-Day Challenge Presented by Malone's, the Fall $400 Challenge and the Fall Breeders' Cup Betting Challenge/National Horseplayers Championship Challenge.

Please see the next page for more information about the Fall Meet and this historic year at Keeneland.

Enjoy the races!

KEENELAND®

Keeneland and the Thoroughbred racing industry appreciate the participation of all owners of horses at the race meet. Owners invest in racehorses both as a sporting and business proposition. They not only pay to buy the horses but also for their training, veterinary and general care, and employ the jockeys who ride them.

The owners listed have horses running today, and Keeneland salutes them for their support.

RULES ON PICK THREE, PICK FOUR, PICK FIVE & PICK SIX

PICK THREE

- A late scratch in the first leg of a Pick Three wager results in a refund.
- A late scratch in either the second or third leg of a Pick Three wager does not result in a refund, but entitles the ticket holder to a consolation payoff if the winners of the other two legs are selected.
- Any change in racing surface for the second and third legs of the Pick Three, that was not made known to the public prior to the start of the first race of the Pick Three sequence, results in an "All Win" situation. All Pick Three tickets will receive the winner of the affected race as the selection for that race.

PICK FOUR

- A late scratch in any leg of the Pick Four will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- There are no consolation payoffs in the Pick Four.
- Any change in racing surface for the second, third, and fourth legs of the Pick Four, that was not made known to the public prior to the start of the first race of the Pick Four sequence, results in an "All Win" situation. All Pick Four tickets will receive the winner of the affected race as the selection for that race.
- There are no carryovers in the Pick Four; if no perfect tickets are sold the wager will pay to all tickets with the greatest number of winners.

PICK FIVE

- A late scratch in any leg of the Pick Five will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- Any change in racing surface for any leg of the Pick Five, that was not made known to the public prior to the start of the first race of the Pick Five sequence, results in an "All Win" situation. All Pick Five tickets will receive the winner of the affected race as the selection for that race.
- All winning tickets with five correct selections will share in 75% of the daily net pool, and 100% of the carryover. When there are winning tickets with five correct selections, all ticket holders with four correct selections share in 25% of the daily net pool.
- If there are no tickets with five winners, all ticket holders with the greatest number of winners share in 25% of the daily net pool, with the remainder of the net pool carried over to the next racing day. There is a mandatory payout of the entire net pool on the last day of the race meet. Please note: The Early Pick Five carries over to the Early Pick Five on the next racing day. The Late Pick Five carries over to the Late Pick Five on the next racing day.

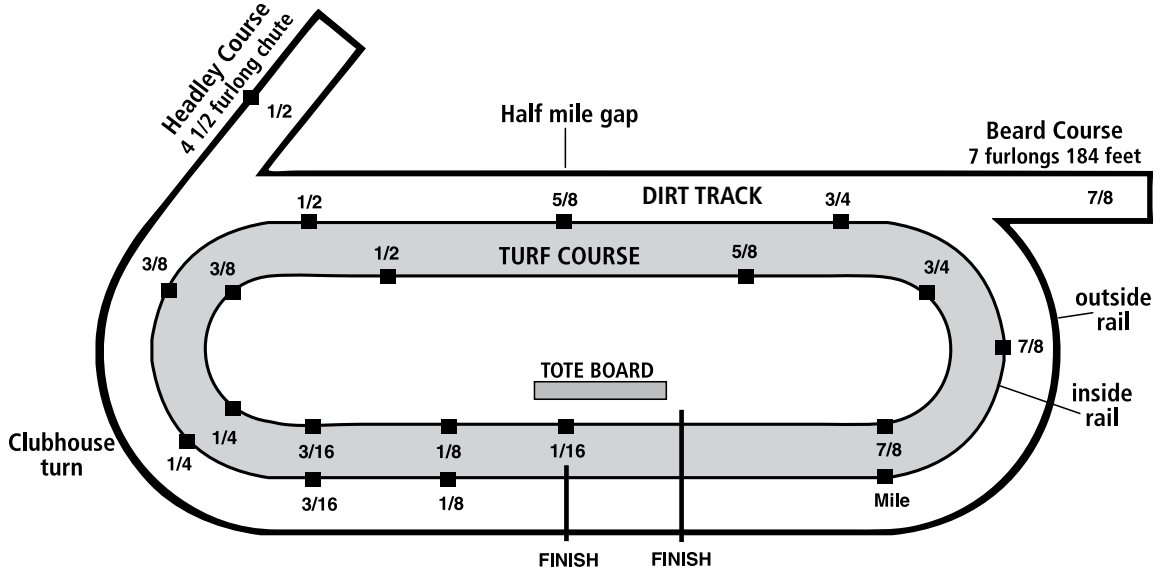

PICK SIX

- A late scratch in any leg of the Pick Six will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- Any change in racing surface for any leg of the Pick Six, that was not made known to the public prior to the start of the first race of the Pick Six sequence, results in an "All Win" situation. All Pick Six tickets will receive the winner of the affected race as the selection for that race.
- All winning tickets with six correct selections will share in 75% of the daily net pool, and 100% of the carryover. When there are winning tickets with six correct selections, all ticket holders with five correct selections share in 25% of the daily net pool.
- If there are no tickets with six winners, all ticket holders with the greatest number of winners share in 25% of the daily net pool, with the remainder of the net pool carried over to the next racing day. There is a mandatory payout of the entire net pool on the last day of the race meet.

TRACK LAYOUT

This diagram shows Keeneland's mile and one-sixteenth main track and 7 1/2-furlong turf course. Red and white poles, set a quarter-mile apart, mark the course, with green and white poles dividing the quarters into eighths. The black and white poles divide the eighths into sixteenths of a mile. The poles are referred to in terms of distance from the finish.

The quarter pole, for example, is a quarter-mile from the finish line. In addition to its main finish line on the main track, Keeneland has an alternate finish line coinciding with the sixteenth pole. This alternate finish line permits the running of mile and one-sixteenth races, with the start and finish at the sixteenth pole. The finish line used in each race is marked with a large red disk.

Honoring the Legacy of Cody Dorman

Thursday, October 8, 2026

Through supporting the Cody Dorman Legacy Fund, you are honoring one of our chapter's wish kids who has inspired the world. 17-year-old Cody was born with a rare genetic disorder that limited his ability to move and speak. We were honored to grant his wish and help arrange that first meeting between Cody and Cody's Wish, the horse that would later become his best friend and legendary Thoroughbred.

In November 2023, Cody passed away, just one day after watching his best friend win a second Breeder's Cup. His legacy continues to spread across the world and more than $100,000 has been raised in his honor.
