KEENELAND 

SPRING 2023

WELCOME TO KEENELAND

Spring has sprung! We are so thrilled to welcome you to Keeneland to enjoy some of the finest Thoroughbred racing in the nation and gracious hospitality to make your day memorable.

We enjoyed a phenomenal racing year in 2022, thanks to a stellar lineup of equine stars and racing stables competing for record purses, which led to record wagering. We were also honored to host the Breeders' Cup World Championships for the third time. We are grateful for the interest in Keeneland racing from you and from all our horsemen, horseplayers and sponsors—your enthusiasm has created momentum for the future.

We are working hard to ensure the excellence continues. During the 15-day Spring Meet from April 7–28, Keeneland will award a season record \$8.05 million for 19 stakes races. Leading the schedule are the 99th running of the \$1 million Toyota Blue Grass and the 86th running of the \$600,000 Central Bank Ashland, both Grade 1 targets of the nation's top 3-year-olds. Keeneland has increased the purses of two Grade 1 stakes for older females—the Madison and the Jenny Wiley—by \$100,000 apiece to \$600,000 and has raised the purses of the FanDuel Limestone, the Giant's Causeway and the Palisades by \$50,000 each to \$250,000. Fifteen stakes are graded, with the Beaumont Presented by Keeneland Select featuring an upgrade to Grade 2 for 2023.

Special events during the Spring Meet include the Jockey Autograph Signing to benefit the Permanently Disabled Jockeys Fund, Sunrise Trackside, College Scholarship Day Presented by Lane's End, Military Day Presented by UPS and Kids Club Family Day Presented by Kentucky Children's Hospital.

Meanwhile, patrons may take official Keeneland Tours to learn more about our racing and sales operations and visit the Keeneland Library to see the important exhibit *The Heart of the Turf: Racing's Black Pioneers*.

Many exciting things are happening at Keeneland, and we look forward to another tremendous year. Keeneland thanks the sponsors of Spring Meet stakes: Baird, Central Bank, FanDuel, Japan Racing Association, Keeneland Select, Kentucky Utilities, Maker's Mark, Stonestreet and Toyota. Thanks to each of you for your commitment to Keeneland and for helping us perpetuate the very best of Thoroughbred racing. Enjoy the races!

- A late scratch in the first leg of a Pick Three wager results in a refund.
- A late scratch in either the second or third leg of a Pick Three wager does not result in a refund, but entitles the ticket holder to a consolation payoff if the winners of the other two legs are selected.
- Any change in racing surface for the second and third legs of the Pick Three, that was not made known to the public prior to the start of the first race of the Pick Three sequence, results in an "All Win" situation. All Pick Three tickets will receive the winner of the affected race as the selection for that race.

PICK FOUR

- A late scratch in any leg of the Pick Four will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- There are no consolation payoffs in the Pick Four.
- Any change in racing surface for the second, third, and fourth legs of the Pick Four, that was not made known to the public prior to the start of the first race of the Pick Four sequence, results in an "All Win" situation. All Pick Four tickets will receive the winner of the affected race as the selection for that race.
- There are no carryovers in the Pick Four; if no perfect tickets are sold the wager will pay to all tickets with the greatest number of winners.

PICK FIVE

- A late scratch in any leg of the Pick Five will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- Any change in racing surface for any leg of the Pick Five, that was not made known to the public prior to the start of the first race of the Pick Five sequence, results in an "All Win" situation. All Pick Five tickets will receive the winner of the affected race as the selection for that race.
- All winning tickets with five correct selections will share in 75% of the daily net pool, and 100% of the carryover. When there are winning tickets with five correct selections, all ticket holders with four correct selections share in 25% of the daily net pool.
- If there are no tickets with five winners, all ticket holders with the greatest number of winners share in 25% of the daily net pool, with the remainder of the net pool carried over to the next racing day. There is a mandatory payout of the entire net pool on the last day of the race meet. Please note: The Early Pick Five carries over to the Early Pick Five on the next racing day. The Late Pick Five carries over to the Late Pick Five on the next racing day.

PICK SIX

- A late scratch in any leg of the Pick Six will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- Any change in racing surface for any leg of the Pick Six, that was not made known to the public prior to the start of the first race of the Pick Six sequence, results in an "All Win" situation. All Pick Six tickets will receive the winner of the affected race as the selection for that race.
- All winning tickets with six correct selections will share in 75% of the daily net pool, and 100% of the carryover. When there are winning tickets with six correct selections, all ticket holders with five correct selections share in 25% of the daily net pool.
- If there are no tickets with six winners, all ticket holders with the greatest number of winners share in 25% of the daily net pool, with the remainder of the net pool carried over to the next racing day. There is a mandatory payout of the entire net pool on the last day of the race meet.

UNDERSTANDING DECIMAL ODDS

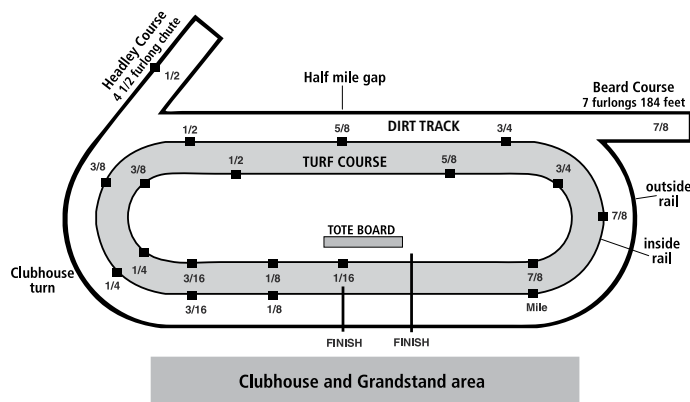

Keeneland is one of the first tracks in America to display decimal odds and pay-offs on its tote board and to offer \$1 win, place and show wagering. The number displayed is the payout for a \$1 wager which means if you wager \$1 to win on the 1 horse, you will receive \$80.50 in return. If you wagered \$2 on the 1 horse, you will receive \$161 in return.

TRACK LAYOUT

This drawing shows Keeneland's mile and one-sixteenth main track and 7 1/2-furlong turf course. Red and white poles, set a quarter-mile apart, mark the course, with green and white poles dividing the quarters into eighths. The black and white poles divide the eighths into sixteenths of a mile. The poles are referred to in terms of distance from the finish.

The quarter pole, for example, is a quarter-mile from the finish line. In addition to its main finish line on the main track, Keeneland has an alternate finish line coinciding with the sixteenth pole. This alternate finish line permits the running of mile and one-sixteenth races, with the start and finish at the sixteenth pole. The finish line used in each race is marked with a large red disk.

THE HEART OF THE TURF

RACING'S BLACK PIONEERS

A CLOSER LOOK AT WILLIAM WALKER

William Walker was born enslaved in 1860 in Woodford County, Kentucky. By age 11, Walker had won his first race as a jockey at Jerome Park in New York, and by 1877, he secured a Kentucky Derby victory on Baden-Baden. Winning stakes races across the country, Walker is most remembered as a fixture at Churchill Downs, where he was the leading jockey for several meets between 1875 and 1881. After his career in the saddle, Walker provided pedigree analysis for top Bluegrass breeders, including John Madden of Hamburg Place, while working as a turf correspondent for sporting publications.
