KEENELAND 

SPRING 2025

WELCOME TO KEENELAND

This is the moment we've been waiting for: The most talented Thoroughbreds in the world and the most knowledgeable and enthusiastic racing fans anywhere are here at Keeneland for the 2025 Spring Meet.

As always, we're dedicated to making every moment of the Spring Meet truly spectacular. With 15 days of competition, the meet from April 4–25 will award a season-record \$9.4 million for 19 stakes races. Each of our five Grade 1 races is worth the highest amount ever, led by the 101st running of the \$1.25 million Toyota Blue Grass on April 5 and the 88th running of the \$750,000 Central Bank Ashland on April 4. With purses of \$650,000 each are the meet's other Grade 1 races: the 24th Resolute Racing Madison (April 5), the 37th Maker's Mark Mile (April 11) and the 37th Jenny Wiley (April 12).

Meanwhile, progress is being made on construction of Keeneland's new three-level Paddock Building, which exemplifies our commitment to the future. Scheduled to open this fall, the Paddock Building extends the entire length of the Saddling Paddock and Walking Ring and will provide new ticketed experiences for more than 1,000 fans during race meets, including traditional sit-down dining, new bar concepts and access to a new Paddock Lawn on the North side of the Saddling Paddock. New Jockeys Quarters in the building will give patrons a unique experience when riders walk directly through one of the dining venues before and after each race. The structure also includes a reconfigured East entrance that

aligns with Keeneland Boulevard while expanding the area inside the gates around the historic Sycamore tree.

In addition, the ground floor of the Paddock Building will contain the saddling stalls, which will be repositioned to provide the safest environment possible for equine and human participants in adherence to Keeneland's culture of equine safety. The new placement will give fans an unmatched view of the pre-race pageantry.

In the racing calendar, every moment matters—and it means the world that our sport's best owners, trainers, jockeys, horseplayers and fans choose to join us here at Keeneland every spring. We thank you for your tremendous support in perpetuating the very best of Thoroughbred racing. Thanks also to our valued Spring Meet race sponsors: Baird, Central Bank, FanDuel, Japan Racing Association, Keeneland Sales, Keeneland Select, Maker's Mark, MiddleGround Capital, Resolute Racing, Stonestreet, Toyota, Valvoline Global and VisitLEX.

We appreciate your commitment to Keeneland, this incredible sport and this community.

Enjoy the races!

Keeneland President and CEO

KEENELAND

Keeneland and the Thoroughbred racing industry appreciate the participation of all owners of horses at the race meet. Owners invest in racehorses both as a sporting and business proposition. They not only pay to buy the horses but also for their training, veterinary and general care, and employ the jockeys who ride them.

The owners listed have horses running today, and Keeneland salutes them for their support.

RULES ON PICK THREE, PICK FOUR, PICK FIVE & PICK SIX

PICK THREE

- A late scratch in the first leg of a Pick Three wager results in a refund.
- A late scratch in either the second or third leg of a Pick Three wager does not result in a refund, but entitles the ticket holder to a consolation payoff if the winners of the other two legs are selected.
- Any change in racing surface for the second and third legs of the Pick Three, that was not made known to the public prior to the start of the first race of the Pick Three sequence, results in an "All Win" situation. All Pick Three tickets will receive the winner of the affected race as the selection for that race.

PICK FOUR

- A late scratch in any leg of the Pick Four will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- There are no consolation payoffs in the Pick Four.
- Any change in racing surface for the second, third, and fourth legs of the Pick Four, that was not made known to the public prior to the start of the first race of the Pick Four sequence, results in an "All Win" situation. All Pick Four tickets will receive the winner of the affected race as the selection for that race.
- There are no carryovers in the Pick Four; if no perfect tickets are sold the wager will pay to all tickets with the greatest number of winners.

PICK FIVE

- A late scratch in any leg of the Pick Five will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- Any change in racing surface for any leg of the Pick Five, that was not made known to the public prior to the start of the first race of the Pick Five sequence, results in an "All Win" situation. All Pick Five tickets will receive the winner of the affected race as the selection for that race.

- All winning tickets with five correct selections will share in 75% of the daily net pool, and 100% of the carryover. When there are winning tickets with five correct selections, all ticket holders with four correct selections share in 25% of the daily net pool.
- If there are no tickets with five winners, all ticket holders with the greatest number of winners share in 25% of the daily net pool, with the remainder of the net pool carried over to the next racing day. There is a mandatory payout of the entire net pool on the last day of the race meet. Please note: The Early Pick Five carries over to the Early Pick Five on the next racing day. The Late Pick Five carries over to the Late Pick Five on the next racing day.

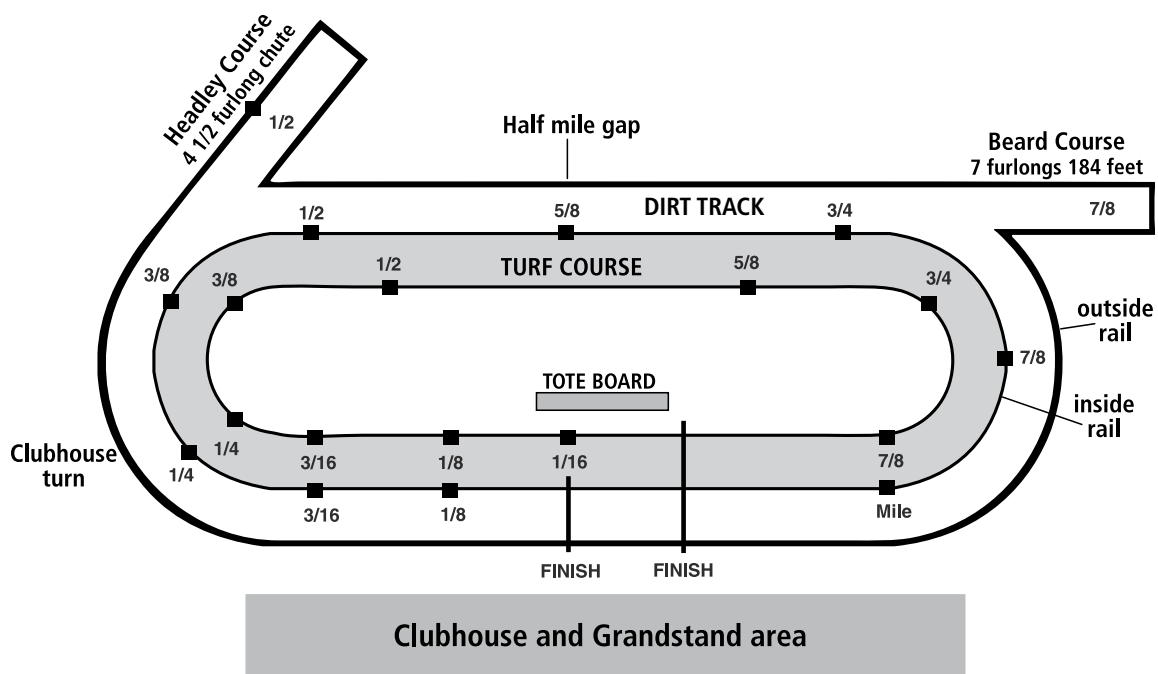

PICK SIX

- A late scratch in any leg of the Pick Six will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- Any change in racing surface for any leg of the Pick Six, that was not made known to the public prior to the start of the first race of the Pick Six sequence, results in an "All Win" situation. All Pick Six tickets will receive the winner of the affected race as the selection for that race.
- All winning tickets with six correct selections will share in 75% of the daily net pool, and 100% of the carryover. When there are winning tickets with six correct selections, all ticket holders with five correct selections share in 25% of the daily net pool.
- If there are no tickets with six winners, all ticket holders with the greatest number of winners share in 25% of the daily net pool, with the remainder of the net pool carried over to the next racing day. There is a mandatory payout of the entire net pool on the last day of the race meet.

TRACK LAYOUT

This diagram shows Keeneland's mile and one-sixteenth main track and 7 1/2-furlong turf course. Red and white poles, set a quarter-mile apart, mark the course, with green and white poles dividing the quarters into eighths. The black and white poles divide the eighths into sixteenths of a mile. The poles are referred to in terms of distance from the finish.

The quarter pole, for example, is a quarter-mile from the finish line. In addition to its main finish line on the main track, Keeneland has an alternate finish line coinciding with the sixteenth pole. This alternate finish line permits the running of mile and one-sixteenth races, with the start and finish at the sixteenth pole. The finish line used in each race is marked with a large red disk.
