ABOUT KEENELAND SALES

The world's leading Thoroughbred auction house, Keeneland sells more champions and stakes winners than any other sales company while offering state-of-the-art facilities and a range of amenities for its diverse international clients. Each year, buyers from nearly every state and as many as 50 countries on six continents participate in Keeneland's September Yearling, November Breeding Stock and January Horses of All Ages sales.

The November Sale is the world's most important auction of its type. Some of the global industry's top broodmares and broodmare prospects have sold at the sale.

Last year's November Sale produced solid results that furthered recent trends toward selectivity and strength in the top and middle markets. Spirited competition among the world's top buyers for quality individuals resulted in the sale of 19 horses for \$1 million or more, highlighted by the \$3.8 million paid for 2010 Breeders' Cup Ladies' Classic (G1) winner and millionaire Unrivaled Belle, the most expensive Thoroughbred sold at public auction in the world in 2016, and the \$3.5 million given for Group 2 winner Secret Gesture (GB).

The auction also featured the Complete Dispersal of Ernie Semersky and Dory Newell's Conquest Stables, which sold 100 horses for \$11,207,500. The dispersal was topped by the sale of Grade 1 winner My Conquestadory, in foal to Tapit, for \$1.5 million to SF Bloodstock and Newgate Farm.

Prominent offerings from the Conquest Stables dispersal and from WinStar Farm further strengthened the horses of racing age segment of the November Sale and contributed to significant gains during those two sessions. Three Chimneys Farm paid \$1.075 million for Uptown Twirl, a 3-year-old stakes-winning half-sister to champion Classic Empire.

It marked the first time in November Sale history that a horse has sold for seven figures during the second week of the auction.

In 2015, the November Sale immediately followed the Breeders' Cup World Championships at Keeneland. Leading the 22 horses sold for seven figures was champion Take Charge Brandi, whose purchase price of \$6 million made her the most expensive Thoroughbred sold at public auction in the world during the year. For the second consecutive November Sale, a North American record price for a weanling was set when a filly by War Front out of Take Charge Lady (Take Charge Brandi's second dam) sold for \$3.2 million.

The November Sale has created many memorable moments, including the 2005 sale of champion and broodmare prospect Ashado for \$9 million. In 2007, Irish-bred Playful Act brought a November Sale record price of \$10.5 million.

All during the year, Keeneland employs an outreach strategy to recruit buyers from across the U.S. and all corners of the world. Sales staff travel throughout the year and work closely with Keeneland representatives in Europe, Australasia, China and Japan.

Globalization of the Thoroughbred industry has been occurring for more than a decade. The racing and breeding world is smaller thanks to the proliferation of stallions shuttling between Northern and Southern hemispheres and the popularity of Americans teaming with foreign partners to race in the U.S. and abroad. This "cross-pollination" is healthy for the entire industry.

Foreign investors come to Central Kentucky, and specifically to Keeneland, to buy their source broodmares and enhance the commercial appeal of their stock. American pedigrees carry speed, and foreign breeders want to infuse that speed into their horses back home. Their Keeneland purchases form the foundation bloodlines for Thoroughbreds in Central and South America, Asia, South Africa, Russia and India.

NOVEMBER BREEDING STOCK SALE

74TH ANNUAL

The November Breeding Stock Sale is the world's premier Thoroughbred auction of its type in terms of total sales and average. The sale, conducted annually since 1944, includes broodmares, weanlings, horses of racing age, racing and broodmare prospects, stallions, stallion shares and seasons. With the exception of the early years and dispersals, yearlings have not been sold during November.

The 2015 November Sale immediately followed the Breeders' Cup World Championships at Keeneland.

Unrivaled Belle, winner of the 2010 Breeders' Cup Ladies' Classic (G1), sold in foal to leading sire Tapit for \$3.8 million to top the 2016 Keeneland November Breeding Stock Sale. She is the most expensive Thoroughbred sold at public auction anywhere in the world in 2016.
