# ABOUT KEENELAND SALES

The world's leading Thoroughbred auction house, Keeneland sells more champions and stakes winners than any other sales company at its September Yearling Sale while offering state-of-the-art facilities and a range of amenities for its diverse international clients.

Each year, buyers from nearly every state and as many as 50 countries on six continents participate in the September Yearling, November Breeding Stock and January Horses of All Ages sales.

Keeneland employs a year-round outreach strategy to recruit buyers from across the U.S. and all corners of the world. Sales staff travel throughout the year and work closely with Keeneland representatives in Europe, Australasia, China and Japan.

Globalization of the Thoroughbred industry has been occurring for more than a decade. The racing and breeding world is smaller thanks to the proliferation of stallions shuttling between Northern and Southern hemispheres and the popularity of Americans teaming with foreign partners to race in the U.S. and abroad. This "cross-pollination" is healthy for the entire industry.

Foreign investors come to Central Kentucky, and specifically to Keeneland, to buy their source broodmares and enhance the commercial appeal of their stock. American pedigrees carry speed, and foreign breeders want to infuse that speed into their horses back home. Their Keeneland purchases form the foundation bloodlines for Thoroughbreds in Central and South America, Asia, South Africa, Russia and India.

# WELCOME TO THE 2017 SEPTEMBER YEARLING SALE

## New September Sale Bonus Program Rewards Sellers and Owners from Sales Ring to Winner's Circle

Keeneland has cataloged 4,139 yearlings for the 74th annual Keeneland September Yearling Sale, to be held Sept. 11-23.

The sale, which annually attracts the world's major buyers with the opportunity to shop the cream of the North American yearling crop, includes several exciting new features this year:

- The debut of Keeneland's lucrative **September Sale Bonus Program**, which comprises two components: the Book 1 Bonus and Seller Bonus. The Book 1 Bonus targets Grade or Group 1 stakes winners that sold as yearlings in the premier Book 1 portion of the September Sale. The Seller Bonus extends opportunities for rewards to all eligible graded or group stakes winners sold in any book of the September Sale.
- A **revised format**: The September Sale opens with an exclusive one-day Book 1 followed by a three-day Book 2, with the goal to showcase a critical mass of upper-market horses during Week 1 of the sale.

The September Sale produces more winners on racing's biggest stages, from the Triple Crown to Royal Ascot to Dubai's Racing Festival and the Breeders' Cup World Championships, than all other North American yearling sales combined. Through Labor Day, September Sale graduates have won 143 graded or group stakes. Among its stars are Kentucky Derby

Presented by Yum! Brands (G1) winner **Always Dreaming**; Preakness (G1) winner **Cloud Computing**; Travers Presented by NYRA Bets (G1) winner **West Coast**; 2016 Eclipse Award winner and World's Best Racehorse **Arrogate**, the richest North American-based Thoroughbred in history; Hopeful (G1) winner **Sporting Chance**; Spinaway (G1) winner **Lady Ivanka**; and multiple Grade 1 winners **Abel Tasman** and **Lady Eli**.

Keeneland sales alumni also excel on the world stage, accounting so far this year for 23 group wins in England, Ireland, France, Japan, Dubai, Australia, Singapore, Peru and Turkey, and include **Lady Aurelia**, runaway winner of the King's Stand (G1) at Royal Ascot, and Falmouth (G1) and Prix Rothschild (G1) victor **Roly Poly**.

### Keeneland September Sale Bonus Program

"Keeneland's September Sale plays an unparalleled role in the global racing community as the primary source of champions and graded or group stakes winners year after year," Keeneland Vice President of Racing and Sales Bob Elliston said. "This unique Bonus Program underscores Keeneland's commitment to invest in the Thoroughbred industry, to recognize our loyal sellers and owners, and to advance excellence in racing worldwide."

*continued on page 4*

*continued from page 3*

Keeneland will invest approximately \$1.1 million in year one, and \$1.9 million in years two and beyond, to fund the bonus program.

“The positive support from horsemen with regard to the Book 1 Bonus, announced in April, prompted Keeneland to fast-track the rollout of the program’s second tier, the Seller Bonus,” Elliston said. “Based on race results from 2015 and 2016, Keeneland projects it will pay nearly \$3 million in cash rewards over the program’s first two years to the sellers and owners of graduates of this year’s September Sale.”

**Book 1 Bonus:** The Book 1 Bonus offers cash rewards to both the seller (owner at the time of sale) and owner (at the time of the race) of Book 1 graduates that win a Grade or Group 1 stakes in eligible countries as a 2- or 3-year-old (2-year-olds are eligible in 2018; 2- and 3-year-olds are eligible in 2019). Sellers and owners earn double rewards if their Book 1 graduate captures a Keeneland Grade 1 stakes or the Toyota Blue Grass (G2). Book 1 Bonus rewards are capped at \$500,000 per horse each year and excess funds will carry forward to the following calendar year.

**Seller Bonus:** Keeneland will augment the Book 1 Bonus with a Seller Bonus, which provides cash rewards to sellers (the owner at the time of sale) of horses sold during any book of the September Sale that win Grade or Group 1, 2 or 3 stakes as a 2- or 3-year-old. (Book 1 graduates who win a Grade or Group 1 stakes will receive the Book 1 Bonus in lieu of the Seller Bonus. Book 1 graduates may receive the Seller Bonus for a Grade or Group 2 or 3 win.)

Seller Bonus rewards will be awarded as follows: \$10,000 for a Grade or Group 1 stakes win; \$7,500 for a Grade or Group 2 win; and \$5,000 for a Grade or Group 3 victory. A maximum of \$10,000 will be paid per horse over the two-year period.

Sellers and owners of horses that win a graded stakes in the U.S. and Canada or a group stakes in Argentina, Australia, Brazil, Chile, France, Germany, Great Britain, Hong Kong, Ireland, Italy, Japan, New Zealand, Peru, South Africa and United Arab Emirates are eligible to participate.

## Sale Format Change Strengthens Week 1

Keeneland continually strives to enhance the overall sales experience for consignors and buyers. Toward that goal, Keeneland revised this year’s Week 1 sale format to feature 167 elite yearlings during an exclusive one-day Book 1, followed by 1,036 top-quality yearlings offered over three days in Book 2. As a result, 1,203 yearlings are cataloged during Week 1 versus 607 (three-day Book 1) in 2016.

“These changes reflect the Keeneland’s efforts to streamline operations for our clients and to provide the deepest buying bench possible,” Keeneland Director of Sales Operations Geoffrey Russell said. “Buyers tell us about their travel challenges and limited availability to attend the sale. For their convenience, we doubled the number of exceptional yearlings cataloged before the Week 1 break on Friday.”

The September Sale covers 12 sessions. The format is as follows:

- **Book 1 (Monday, Sept. 11)** – Session begins at 3 p.m.
- **Book 2 (Tuesday-Thursday, Sept. 12-14)** – Sessions begin at 11 a.m. daily.
- **Dark Day, Friday, Sept. 15** – No sale will be conducted.
- **Books 3-6 (Saturday-Saturday, Sept. 16-23)** – Sessions begin at 10 a.m.

## September Sale Offers Yearlings by World's Top Stallions

The September Sale is globally renowned for its depth and breadth of quality; the sale offers outstanding individuals by the world's leading stallions at all levels of the market, many from active families who are siblings to champions and graded or group stakes winners. Of the 4,139 yearlings cataloged to the 2017 September Sale, 2,159 are colts and 1,980 are fillies.

This year's catalog features individuals by 206 established sires, led by Bernardini, Bodemeister, City Zip, Curlin, Dansili (GB), Deep Impact (JPN), Distorted Humor, Dubawi (IRE), Empire Maker, Frankel (GB), Galileo (IRE), Ghostzapper, Giant's Causeway, Into Mischief, Kitten's Joy, Malibu Moon, Medaglia d'Oro, More Than Ready, Orb, Pioneer of the Nile, Smart Strike, Speightstown, Tapit, Tiznow, Uncle Mo and War Front, as well as a number of yearlings from the last crop of the successful sire Scat Daddy.

The catalog also includes yearlings by such exciting young stallions as Cairo Prince, Cross Traffic, Fed Biz, Goldencents, Magician (IRE), Noble Mission (GB), Strong Mandate, Verrazano and Will Take Charge, among others.

### Recap of 2016 Sale

At the 2016 September Sale, a competitive market and active participation from the world's deepest buying bench drove solid results as 2,792 horses sold for more than \$272 million. The sale produced nine yearlings that commanded \$1 million or more, led by a Scat Daddy colt who sold to M.V. Magnier for \$3 million to be the highest-priced Thoroughbred yearling sold at public auction in North America in 2016.

Clarkland Farm bred and consigned the sale-topper, a half-brother to multiple champion Beholder and Grade 1 winner and sire Into Mischief. He was named Mendolsshon.

### Media Resources Available

Keeneland will provide live gavel-to-gavel coverage of the entire September Sale at Keeneland.com. News and updates also will be distributed via Keeneland's Facebook, Twitter, Periscope, Instagram and Snapchat accounts.

# SEPTEMBER YEARLING SALE

## 74TH ANNUAL

Keeneland/Photos by Z

The Keeneland September Yearling Sale has evolved from humble beginnings to become the global marketplace for Thoroughbred yearlings.

From 1944, the inaugural year, through 1948, the fall yearlings were sold in an auction which included broodmares, weanlings, stallions and horses of other ages. In 1949, approximately half of the yearlings were sold in a separate October sale and the remainder in a November mixed stock sale as usual. In 1950, the yearlings were sold separately by session, but in the same week as the other stock. In 1951, the fall yearling sales were set farther apart from the fall mixed stock sale, with the yearling auctions preceding the other sale by a week or more. In 1960, the yearling sales were moved to September. In 1981, the yearling sale was held in two four-day segments. Selected sessions were inaugurated in 1989.

Mendolsshon, a colt by Scat Daddy who is a half-brother to multiple champion Beholder and Grade 1 winner and sire Into Mischief, sold for \$3 million to top the 2016 Keeneland September Yearling Sale. He is the highest-priced yearling at the September Sale since 2010.
