WELCOME TO THE 2018 NOVEMBER BREEDING STOCK SALE

Keeneland has cataloged 4,513 horses for its 2018 November Breeding Stock Sale, the world's largest and most important sale of its kind, to be held Nov. 5-16. Headlining the November Sale catalog are graded stakes winners and graded stakes producers, led by champion Lady Eli, in foal to War Front; and Grade 1 stakes winners Lady Ivanka, Sailor's Valentine, Union Strike, Vasilika and Zipessa, the latter in foal to Medaglia d'Oro.

The strong global appeal of the November Sale sets it apart from all other breeding stock sales. This auction is the primary source for domestic and international buyers for stakes-winning fillies and stakes-producing mares in foal to the world's most exciting stallions while being a key market for weanlings and horses of racing age. Keeneland looks forward to the November Sale building on the strength of the recent September Yearling Sale and the excitement of the Breeders' Cup at Churchill Downs.

In a change of format for 2018, the November Sale will open Monday, Nov. 5, with an exclusive Book 1 session featuring 251 graded stakes-winning fillies and mares and notable weanlings.

Among the highly prized offerings cataloged in Book 1 are:

- Champion **Lady Eli**, who is bred to War Front for her first foal. She won 10 races, including five Grade 1 stakes, and earned \$2,959,800;
- First Lady (G1) winner **Zipessa**, bred to Medaglia d'Oro for her first foal;
- **Vasilika**, winner of seven consecutive races led by the Rodeo Drive (G1) and cataloged as a racing or broodmare prospect;
- Spinaway (G1) winner **Lady Ivanka**; Central Bank Ashland (G1) winner **Sailor's Valentine** and Del Mar Debutante (G1) winner **Union Strike**, all cataloged as racing or broodmare prospects; and
- Weanling half sisters of champion and Breeders' Cup Classic (G1) winner **Arrogate** and champion **Honor Code**.

The 4,513 horses in the November Sale catalog include 2,259 broodmares and racing or broodmare prospects, 1,789 weanlings, 454 horses of racing age and 11 stallions.

ABOUT KEENELAND SALES

Keeneland, the world's leading Thoroughbred auction house, sells more champions and stakes winners than any other sales company while offering state-of-the-art facilities and a range of amenities for its diverse international clients. Each year, buyers from nearly every state and as many as 50 countries on six continents participate in Keeneland sales.

Four auctions are on the Keeneland calendar: September Yearling, November Breeding Stock, January Horses of All Ages and April Two-Year-Olds in Training sales. The September Sale produced this year's undefeated Triple Crown winner, Justify, who sold for \$500,000 in 2016.

The 2018 September Sale, which covered 13 sessions from Sept. 10-23, produced commerce described as electric at every level of the market. Gross receipts of \$377,130,400 are the fourth highest in September Sale history and approached the record heights of the mid-2000s. Average price was a record \$129,331. Twenty-seven horses sold for \$1 million or more, including three for \$2 million-plus, to be the most since 2007. The \$2.4 million given by Coolmore's M.V. Magnier for a colt by leading sire War Front was the highest price paid for a yearling in the world to date.

The depth and breadth of Keeneland's buying bench, assembled by the sales team as part of a global, year-round marketing and recruitment effort, set the auction house apart from its competitors. Sales staff travel throughout the year and work closely with Keeneland representatives in Europe, Australasia, China and Japan. At the 2018 September Sale, buyers from across North America and more than 20 foreign countries representing Europe, the Middle East, Asia, South America and Latin America converged at Keeneland.

Globalization of the Thoroughbred industry has been occurring for more than a decade. The racing and breeding world is smaller thanks to the proliferation of stallions shuttling between Northern and Southern hemispheres and the popularity of Americans teaming with foreign partners to race in the U.S. and abroad. This cross-pollination is healthy for the entire industry.

Foreign investors come to Central Kentucky, and specifically to Keeneland, to buy their source broodmares and enhance the commercial appeal of their stock. American pedigrees carry speed, and foreign breeders want to infuse that speed into their horses back home. Their Keeneland purchases form the foundation bloodlines for Thoroughbreds in Central and South America, Asia, South Africa, Russia and India.

NOVEMBER BREEDING STOCK SALE

75TH ANNUAL

Keeneland/Photos by Z

The November Breeding Stock Sale is the world's premier Thoroughbred auction of its type in terms of total sales and average. The sale, conducted annually since 1944, includes broodmares, weanlings, horses of racing age, racing and broodmare prospects, stallions, stallion shares and seasons. With the exception of the early years and dispersals, yearlings have not been sold during November.

The 2015 November Sale immediately followed the Breeders' Cup World Championships at Keeneland.

Champion Stellar Wind commanded \$6 million from M.V. Magnier at Keeneland's 2017 November Breeding Stock Sale.
