The Kentucky Thoroughbred Development Fund (KTDF)

Horsemen with Kentucky-Sired Kentucky-Breds have more purse money to run for in designated stakes, handicap, allowance and non-claiming maiden races in Kentucky in 2018 through the Kentucky Thoroughbred Development Fund (KTDF) program.

In Allowance Optional Claiming races, horses entered for a claiming price of not less than twenty-five thousand ($25,000) are eligible for KTDF distribution. Eligible races can be readily recognized in the stakes and condition book by the KTDF seal which will appear next to each race.

Horses must be registered prior to time of entry to be eligible to participate in the distribution of KTDF monies.

All horses of racing age that are both Kentucky-Bred and sired by a Kentucky stallion which stood in Kentucky the entire breeding season the year the horse was conceived are eligible to be registered. Owners of horses of racing age are responsible for registering their horses. Stallion owners are responsible for registering their stallions.

Registration applications may be obtained from the official registrar, The Kentucky Thoroughbred Owners and Breeders, by contacting:

Ms. Jenny Gordon, KTDF Registrar
Kentucky Thoroughbred Owners and Breeders
4079 Iron Works Parkway
Lexington, KY  40511
Tel: (859) 259-1643

Registration applications may also be obtained from the License Office of the Kentucky Horse Racing Commission or the Horse Identifier.

For those horses that are registered and eligible according to the condition listed above, fund monies will be divided as follows: 60% to the winner, 20% to second, 10% to third, 5% to fourth, 3% to fifth and the remaining 2% to be divided equally among sixth through last.

Unearned fund monies revert to the Kentucky Thoroughbred Development Fund.

PLEASE NOTE: ALL KTDF PURSE ALLOTMENTS CONTAINED HEREIN ARE SUBJECT TO KHRC APPROVAL.
KEENELAND ASSOCIATION, INC.

ENTRIES, SCRATCHES & ALSO-ELIGIBLES

- Keeneland generally utilizes a seventy-two (72) hour entry rule.
- Scratches will be considered by stewards upon submission. All scratches must be submitted by 8:00am EST on the day of the race.
- Jockeys must be named at the time of entry.

Entry closing dates are listed at the top of each page of conditions.

Date Preference System:
Foal Certificates are no longer required to be on file in the racing office to enter or start at Keeneland Association; however, foal certificates must be on file to obtain a preference date and to get a horse tattooed. To receive a zero (0) date, foal papers must be on file with the Horse Identifier by Friday, April 6.

Preference by condition eligibility then by:
1. In over-filled races, preference will be given to horses in order of their assigned preference dates, earliest date first. Horses having identical dates will be chosen by lot, however, where entry and running dates are the same, the horse with the entry date will have preference.
2. All horses intended for racing at Keeneland Association will be assigned a preference date. Dates assigned will be of two types:

E-Date
This date will correspond to:
- The day on which a horse’s foal papers and name tag are submitted to the identifier (the earliest date being the day when entries are first taken for the meeting).
- The day on which a horse is first entered if his papers are not on file with the identifier.
- To qualify for the latter E-Date, a horse must have been excluded from a race which appears on the overnight or he must have been entered in a condition book race which failed to fill through insufficient entries.

R-Date
This date will correspond to:
- The day of a horse’s most recent race at Keeneland Association.
b. An R-Date will also be assigned to a horse which scratches (provided the foal papers are on file with the identifier).

3. A horse retains his R-Date until he receives a newer R-Date. No horse with an established R-Date may receive an E-Date. A horse whose papers are removed from the identifier’s office will lose his date and must subsequently re-establish a date in order to receive preference. A horse with an E-Date cannot receive a newer E-Date. Horses starting at another racetrack will forfeit any date they may have at Keeneland Association. Additionally horses racing at Keeneland without foal papers on site will not retain their R-Date.

4. Preference dates will consist of two categories: Dirt (D) and Turf (T). Preference dates are good for any type of race or distance.

5. A horse that runs in a race, which has been taken off the Turf will retain its Turf date and establish a Dirt R-Date. A scratched horse will receive an R-Date from the date scratched for both Turf and Dirt.

6. When a race is taken off the Turf, Main Track Only (MTO) horses will receive an R-Date if they run or scratch. If the race remains on the Turf, MTO horses will retain their previous date.

7. Horses on the Also-Eligible list shall be permitted to draw into races in order listed. A horse entered as MTO shall be listed as an Also-Eligible. If the race remains on the Turf, a horse listed as MTO shall not be permitted to draw into the race.

8. No E-Date will be assigned to the second choice of an unsplit same-owner entry.

9. A horse which has been placed on a list (veterinarian, steward, starter or paddock judge) will lose their date and be assigned an R-Date corresponding to the day removed from list, provided the foal papers are on file with the identifier.

10. A horse which is a scheduled starter in a canceled race will not receive an R-Date for that race but will retain its previous date.

11. Stakes and handicap races are not subject to date preference.

12. Preference dates are transferred through change of ownership and changes in trainer after the proper transfer procedure have been completed through the Steward’s office and delivered to the Racing Secretary’s Office.

13. Date preference rules will not supersede KHRC rules regarding preference, eligibility or scratches.

14. Winners will be preferred in all non-maiden races.
Condition Eligibility

- Horses are preferred by their available conditions in all allowance races beginning with Graded stake winners (Grade I-II-III), open stakes winners through their allowance conditions providing the horse has finished 1st, 2nd, 3rd or 4th for $40,000 or more since starting for less than $40,000. In allowance/optional claiming races a horse’s eligibility cannot exceed the condition of the race. Starter races for less than $25,000 will be considered as claiming races for condition eligibility.

Main Track Only Entries

- Entries will be accepted in turf races (excluding stakes) for Main Track Only (MTO) horses.
- Trainers must declare the horse as MTO at the time of entry.
- A horse entered as MTO shall be listed as Also-Eligible.
- In an over-filled turf race, Also-Eligible (including MTO) shall be assigned a post position by preference. If preference is equal, post positions shall be drawn by lot, unless otherwise stipulated in the published conditions of the race.
- If the race remains on the turf, a horse listed as MTO shall not be permitted to draw into the race. When a race is removed from the turf, MTO horses will lose any stars they have if they run or scratch. If the race remains on the turf, MTO horses will retain their previous date.

Weight

Owners and trainers must be careful to claim allowances at the time of entry, and state penalties, and are solely responsible if a horse starts with the incorrect weight and is therefore disqualified.

Special Notices

- All two-year-olds must be properly schooled and approved by the starter before being allowed to start.

Hours are from sunup to 11:00 a.m. on race days and sunup to noon on non-race days. Trainers are required to have the personnel accompanying the horse to the gallops to sign a waiver of liability with the Racing Secretary prior to using the property. Outriders will not be provided on the gallops.
- There will be an outrider on the track every day for your protection and if at any time he/she can be of assistance, do not hesitate to ask.

* No vehicles are permitted to park in the grass or walking rings between barns until after 2:00 p.m. each day. Vehicles found in these areas will be towed at the owner’s expense.

Ship-In’s
Entrant further agrees that any horse running at Keeneland will be on Keeneland’s grounds a minimum of four and one-half (4 ½) hours prior to race time in default of which Entrant understands that the horse shall be scratched.
Keeneland Association, Inc.

HOUSE RULES

*Any trainer not in compliance with these house rules may be subject to monetary fines and/or removal of horses from grounds.

Bedding
Unless a request for shavings has been approved by the Racing Secretary, all stalls must be bedded with straw. Sawdust is not permitted.

Water Hoses*
All hoses in the barn area must be fitted at all times with a working nozzle, such that water will not flow from a hose unless the nozzle is engaged.

Heat Lamps*
Heat lamps are prohibited at all times in the stall areas.

Dogs*
All dogs must be kept inside tack rooms during training and racing hours, or if out, must be leashed and in hand at all times. Under no circumstances may dogs be tied in shedrows or about the barns during these hours. Dogs tied in shedrows at hours other than the above mentioned must be on a fixed, short leash to permit free access and passage of Keeneland’s security police around the barn area. No running chains or lines will be permitted. This action is being taken in order to permit the daily routine business of veterinarians, blacksmiths, feedmen, track security, deliveries and barn maintenance personnel.

Washing Machines*
No washing machines may be brought in the stall areas. An equine laundry facility is available between Barn 42 and the Maintenance Building, and may be utilized by Trainer/Owner and staff as available.

SURFACES

Main Dirt Track
In the summer of 2014, Keeneland converted its 1 1/16-mile main track from Polytrack to dirt. The dirt racing surface is a blend of approximately 19,000 tons of sand, silt and clay native to Kentucky. The surface composition is approximately 87.5 percent sand and 12.5 percent clay and silt. The new surface debuted during the 2014 Fall Meet.
Keeneland Association, Inc.

**Turf Course**
The Haggin Course: Keeneland’s 7½-furlong turf course is named for former Keeneland President Louis Lee Haggin II. Stretch length: 1,190 feet. Width: 70 feet at the finish line; 58 feet at the mile pole. The temporary rail can be set 15 or 20 feet from inside the rail.

**Training Track**
Polytrack: Keeneland’s 5-furlong training track has an all-weather Polytrack surface, which was renovated during the summer of 2015.

**WORKOUTS**
A horse which has not started in the past forty-five (45) days shall not be permitted to start unless it has at least one published work out within twenty (20) days of entry at a distance satisfactory to the stewards of the meeting. A horse starting for the first time shall not be permitted to start unless it has three (3) published workouts, one of which is from the starting gate, one of which is within twenty (20) days of entry, and at least one of which is published.

The turf course will be open for a limited number of workouts immediately after the main track is closed on Sundays and Tuesdays.

Turf workouts will be limited to horses who are nominated (nominations closed) to stakes races on the turf at Keeneland.

Turf slips must be picked up at the racing secretary’s office 24 hours in advance of the workout.

All horses must work outside “dogs” in a counterclockwise direction.
