Horsemen with Kentucky-sired Kentucky-breds have over $10 million more in purse money to run for in designated stakes, handicap, allowance, nonclaiming maiden races, and allowance optional claiming races with a claiming price of not less than twenty-five thousand dollars ($25,000) contested at Thoroughbred racetracks in Kentucky.

Eligible races can be readily recognized in the stakes and condition books by the Kentucky Thoroughbred Development Fund seal, which will appear next to each race in the stakes and condition books.

In accordance with KRS 230.400(5)(d), it is mandatory for a horse to be registered prior to time of entry to be eligible to participate in the distribution of Kentucky Thoroughbred Development Fund monies. Registration is only complete once the application is approved and payment has been received.

All horses of racing age that are both Kentucky-bred and sired by a Kentucky stallion which stood in Kentucky the entire breeding season the year the horse was conceived are eligible to be registered. Owners of horses of racing age are responsible for registering their horses. Stallion owners are responsible for registering their stallions.

Registration applications may be obtained from the official registrar, the Kentucky Thoroughbred Owners and Breeders, by contacting:

Mrs. Jenny McGaughey, Registrar
Kentucky Thoroughbred Owners and Breeders
4079 Iron Works Parkway, Lexington, KY 40511
(T) 859 259-1643 • (M) 859 361-6002

Registration may be completed online at www.kta-ktob.com. The Horse Identifier can check registration status of a horse.

For those horses that are registered and eligible according to the conditions listed above, fund monies will be divided as follows:

60%....................................................................to the winner
20%.......................................................................... to second
10%..............................................................................to third
5%............................................................................. to fourth
3%.................................................................................to fifth

Remaining 2% divided evenly among starters.

Unearned fund monies revert to the Kentucky Thoroughbred Development Fund. Additionally, if a non-KTDF eligible horse is involved in a dead heat, those funds will revert to the fund.

PLEASE NOTE: ALL KTDF PURSE ALLOTMENTS CONTAINED HEREIN ARE SUBJECT TO KHRC APPROVAL.
Keeneland Association, Inc.

ENTRIES, SCRATCHES & ALSO-ELIGIBLES

- Scratches will be considered by stewards upon submission.
- All scratches must be submitted by 8:00am EST on the day of the race.
- Jockeys must be named at the time of entry.

Entry closing dates are listed at the top of each page of conditions.

Date Preference System:
Foal Certificates are no longer required to be on file in the racing office to enter or start at Keeneland Association; however, foal certificates must be on file to obtain a preference date and to get a horse tattooed. To receive a zero (0) date, foal papers must be on file with the Horse Identifier by Monday, September 30.

Preference by condition eligibility then by:
1. In over-filled races, preference will be given to horses in order of their assigned preference dates, earliest date first. Horses having identical dates will be chosen by lot, however, where entry and running dates are the same, the horse with the entry date will have preference.
2. All horses intended for racing at Keeneland Association will be assigned a preference date. Dates assigned will be of two types:

E-Date
This date will correspond to:

a. The day on which a horse’s foal papers and name tag are submitted to the identifier (the earliest date being the day when entries are first taken for the meeting).
b. The day on which a horse is first entered if his papers are not on file with the identifier.
c. To qualify for the latter E-Date, a horse must have been excluded from a race which appears on the overnight or he must have been entered in a condition book race which failed to fill through insufficient entries.

R-Date
This date will correspond to:

a. The day of a horse’s most recent race at Keeneland Association.
b. An R-Date will also be assigned to a horse which scratches (provided the foal papers are on file with the identifier).
3. A horse retains his R-Date until he receives a newer R-Date. No horse with an established R-Date may receive an E-Date. A horse whose papers are removed from the identifier’s office will lose his date and must subsequently re-establish a date in order to receive preference. A horse with an E-Date cannot receive a newer E-Date. Horses starting at another racetrack will forfeit any date they may have at Keeneland Association. Additionally horses racing at Keeneland without foal papers on site will not retain their R-Date.

4. Preference dates will consist of two categories: Dirt (D) and Turf (T). Preference dates are good for any type of race or distance.

5. A horse that runs in a race, which has been taken off the Turf will retain its Turf date and establish a Dirt R-Date. A scratched horse will receive an R-Date from the date scratched for both Turf and Dirt.

6. When a race is taken off the Turf, Main Track Only (MTO) horses will receive an R-Date if they run or scratch. If the race remains on the Turf, MTO horses will retain their previous date.

7. Horses on the Also-Eligible list shall be permitted to draw into races in order listed. A horse entered as MTO shall be listed as an Also-Eligible. If the race remains on the Turf, a horse listed as MTO shall not be permitted to draw into the race.

8. No E-Date will be assigned to the second choice of an unsplit same-owner entry.

9. A horse which has been placed on a list (veterinarian, steward, starter or paddock judge) will lose their date and be assigned an R-Date corresponding to the day removed from list, provided the foal papers are on file with the identifier.

10. A horse which is a scheduled starter in a canceled race will not receive an R-Date for that race but will retain its previous date.

11. Stakes and handicap races are not subject to date preference.

12. Preference dates are transferred through change of ownership and changes in trainer after the proper transfer procedure have been completed through the Steward’s office and delivered to the Racing Secretary’s Office.

13. Date preference rules will not supersede KHRC rules regarding preference, eligibility or scratches.

14. Winners will be preferred in all non-maiden races.
**Condition Eligibility**

- Horses are preferred by their available conditions in all allowance races beginning with Graded stake winners (Grade I-II-III), open stakes winners through their allowance conditions providing the horse has finished 1st, 2nd, 3rd or 4th for $40,000 or more since starting for less than $40,000. In allowance/optional claiming races a horse’s eligibility cannot exceed the condition of the race. Starter races for less than $25,000 will be considered as claiming races for condition eligibility.
- No entry will be received except upon the condition that all disputes, claims and objections arising out of the racing or with respect to the interpretation of the conditions of any race shall be decided by the officers of the association, or those whom they may appoint and their decision upon all points shall be final.
- No entry shall be accepted from any stable not provided with a trainer’s license.

**Main Track Only Entries**

- Entries will be accepted in turf races (excluding stakes) for Main Track Only (MTO) horses.
- Trainers must declare the horse as MTO at the time of entry.
- A horse entered as MTO shall be listed as Also-Eligible.
- In an over-filled turf race, Keeneland reserves the right to designate two Main Track Only Positions on the also Eligible List. Also-Eligible (including MTO) shall be assigned a post position by preference. If preference is equal, post positions shall be drawn by lot, unless otherwise stipulated in the published conditions of the race.
- If the race remains on the turf, a horse listed as MTO shall not be permitted to draw into the race. When a race is removed from the turf, MTO horses will lose any date they have if they run or scratch. If the race remains on the turf, MTO horses will retain their previous date.

**Weight**

Owners and trainers must be careful to claim allowances at the time of entry, and state penalties, and are solely responsible if a horse starts with the incorrect weight and is therefore disqualified.

**Special Notices**

- Keeneland reserves the right to start any or all races with or without a stall gate starting machine.
Horses claimed, transferred or sold to any person or stable, not registered for racing at Keeneland, must be removed from the grounds within twenty-four (24) hours, unless approved by the Stewards and Keeneland.

Trainers accept the responsibility for all persons for whom he is acting with regard to the rules and regulations of the race meeting conditions of Keeneland and the rules of racing adopted by the Kentucky Horse Racing Commission, and agrees to be bound by and comply with the same, and the acts and decisions of the Kentucky Horse Racing Commission and the Racing Officials.

Every horse must be saddled in the paddock. This rule is imperative. Horses must be in the paddock at least twenty minutes before the bugle call. Ponies may not accompany horses in the walking ring.

Upon going to the post, all horses must parade in front of the stand in the order assigned to them on the official program.

All two-year-olds must be properly schooled and approved by the starter before being allowed to start.

At the discretion of the stewards, and without notice, the entries of any person, or acceptance or transfer of any entries, may be refused.

The stewards reserve the right to substitute one jockey for another, at their discretion. It will be their purpose to substitute a jockey of equal ability.

Neat dress required. All trainers and accompanying stable personnel should be neatly dressed when taking horses to the paddock. Pony personnel taking horses to the post in the public parade must wear jackets available at the paddock gate and must keep themselves and their mounts well-groomed and their tack clean.

Horsemen stabled at Keeneland are, at their own risk, allowed to exercise their horses in the designated field situated behind Barns 46-49. Hours are from sunup to 11:00 a.m. on race days and sunup to noon on non-race days. Trainers are required to have the personnel accompanying the horse to the gallops to sign a waiver of liability with the Racing Secretary prior to using the property. Outriders will not be provided on the gallops.

There will be an outrider on the track every day for your protection and if at any time he/she can be of assistance, do not hesitate to ask.

**Turf Course Field Size**
Fields may be limited to twelve horses on the Haggin Course regardless of rail placement except 9.5 furlongs. This distance will be limited to ten horses when temporary rail is used.
Turf Course Special Notices

• All races programmed to be run on the turf course may, in the event of a change in the condition of the course, be transferred and run over the main track.
• All races transferred from the turf course to the main track will be run at the same distance with one exception: races at one mile and one-half on the turf will be contested at one mile and five-eighths on the main track.
• Ponies will not be allowed on the turf course.

HORSEMAN’S BOOKKEEPER
Contact: Laurel Humbert or Tiffany Leggett
Tel: 859-280-4748
Email: horsebook@keeneland.com

The Horsemen’s Bookkeepers’ offices will be open from 8:30 am until after the last race on live racing days.

There are two office locations: Inside the racing secretary’s office (Tiffany Leggett), and on the 2nd floor of the administrative offices (Laurel Humbert).

Prior to participation in a race Owners are required to establish an account with the Horsemen’s Bookkeeper to include ALL of the following:
• Complete address information
• W-9 or W-8ECI
• Jockey fees
• Fees for stakes engagements

Keeneland may refuse entry to any person(s) who has not paid monies owed to Keeneland including but not limited to: stall rent, nomination fees, entry fees, starting fees and jockey fees.

Any balance owed to Keeneland may be paid with a credit card (Visa, MC, AMEX, Discover). Credit card authorization forms are available through Laurel Humbert.

ACH Payments:
Automated Clearing House (ACH) payments are available to horsemen for funds disbursement. ACH payments are electronic payments sent directly from Keeneland to the recipient’s bank account. Horsemen must complete an ACH Enrollment form and submit a voided check in order to sign up for ACH payments from the Horsemen’s Bookkeeper. The default method of payment for horsemen will remain checks.
Partnerships
If a horse runs in the name of a partnership, the check will be cut with all names listed on the partnership account. The Horsemen’s Bookkeeper will not pay out percentages to different partners; it is the responsibility of the partnership to disperse funds accordingly.

Tax Reporting
A tax ID (SSN or FEIN) is required before any funds can be released. An IRS form W9 or W8ECI certifying the tax ID must be submitted to Keeneland Association, Inc. In the case of partnership accounts, a W9 is required from ONLY ONE of the partners and all income for the account will be reported to the IRS using that partner’s tax ID.

Wire Transfer Funds To Your Keeneland Account
Email horsebook@keeneland.com for wire transfer instructions. Include all pertinent information to be sure your funds are credited to the appropriate account.

Complimentary Wire Transfer to Churchill Downs
As a courtesy to our horsemen upon request, Keeneland will wire funds to Churchill Downs at the conclusion of our meet. A W9 is required for each account that requests this service.

Required Forms
United States Residents – Horsemen must have a signed W-9 on file with the Horsemen’s Bookkeeper before any purse money will be distributed.

United States Non-Residents - The Internal Revenue Service requires that Keeneland Association withhold and pay 30% of purses paid to a non-resident of the United States, if the person paid does not possess a valid Federal Taxpayer Identification Number, to the IRS. Each non-resident must complete a FORM W8ECI, and place on file with the Horsemen’s Bookkeeper.

TAX FORMS can be picked up in either Horsemen’s Bookkeeper’s office. Completed forms can be dropped off at either location, faxed to 859-280-4730, or emailed to horsebook@keeneland.com.

Thoroughbred Aftercare Alliance (TAA) $5-per-start ‘opt-out’ contribution
Keeneland has partnered with the TAA, a 501 (c) (3) non-profit organization, in
Keeneland Association, Inc.

an effort to ensure quality aftercare for our equine athletes when their racing careers are over. A $5 fee will be collected from each owner’s account and contributed to the TAA for every horse that starts a race at Keeneland. Furthermore, Keeneland will match all contributions collected in order to double the impact. Participation is optional. If, for any reason, you choose not to support this program, you may opt out by emailing the Horsemen’s Bookkeeper at horsebook@keeneland.com.

Funds for claims: All funds must be available on account in order to be used for claims.

PURSE DISTRIBUTION
Purse money will be distributed following notification from the Kentucky Horse Racing Commission that all drug tests have been cleared. Keeneland will distribute purse immediately and only after this notification.

For every race, Keeneland Association monies will be divided:
- 60% to the owner of the winning horse
- 20% to the owner of the 2nd place finisher
- 10% to the owner of the 3rd place finisher
- 5% to the owner of the 4th place finisher
- 3% to the owner of the 5th place finisher
- 2% to be divided equally among 6th through last place

TATTOOS/MICROCHIPS
All owners who have horses tattooed on Keeneland’s grounds, shall pay the $80 fee directly to the tattoo technician. If the horse’s first career start is at Keeneland, the owner’s HB account will be credited in the same amount.

Attention Horsemen: By January 1, 2020 Race Horse Identification will transition from lip tattooing to utilizing the Digital Tattoo (Picture Horse ID) which is accessible through scanning of the Jockey Club issued Microchip that has been implanted in the horses’ neck by the breeder.

The process will be as follows:

- All foals of 2017 forward must be microchipped before the Jockey Club will register the horse.
• Foals of 2016 and older who are not tattooed and who currently do not have a microchip (by January 1, 2020) will need to contact the Jockey Club (800-444-8521) to obtain a microchip. The Jockey Club issued microchip must be inserted into the horse and listed on the foal papers before the horse is Digitally Tattooed prior to its first race.

• Like the current tattoo system, TRPB Identifiers will come to your barn, then scan the microchip to pull up the digital copy of the foal papers and verify the markings prior to your being allowed to race. Additionally, the TRPB Identifiers will take a series of photographs of your horse.

• The TRPB identification fee will remain the same $80.

• PLEASE NOTE: If you have an older horse (2016 or older) which is not tattooed and does not have a Jockey Club issued microchip inserted in the horse, please make arrangements prior to the end of the year to be either tattooed or microchipped. If not, your horse will not be able to be identified nor will it be allowed to race (until a Jockey Club issued microchip and has been inserted and the horse has been identified by a TRPB Identifier).
