Horsemen with Kentucky-sired Kentucky-breds have over $10 million more in purse money to run for in designated stakes, handicap, allowance, nonclaiming maiden races, and allowance optional claiming races with a claiming price of not less than twenty-five thousand dollars ($25,000) contested at Thoroughbred racetracks in Kentucky.

Eligible races can be readily recognized in the stakes and condition books by the Kentucky Thoroughbred Development Fund seal, which will appear next to each race in the stakes and condition books.

In accordance with KRS 230.400(5)(d), it is mandatory for a horse to be registered prior to time of entry to be eligible to participate in the distribution of Kentucky Thoroughbred Development Fund monies. Registration is only complete once the application is approved and payment has been received.

All horses of racing age that are both Kentucky-bred and sired by a Kentucky stallion which stood in Kentucky the entire breeding season the year the horse was conceived are eligible to be registered. Owners of horses of racing age are responsible for registering their horses. Stallion owners are responsible for registering their stallions.

Registration applications may be obtained from the official registrar, the Kentucky Thoroughbred Owners and Breeders, by contacting:

Mrs. Jenny McGaughey, Registrar
Kentucky Thoroughbred Owners and Breeders
4079 Iron Works Parkway, Lexington, KY 40511
(T) 859 259-1643 • (M) 859 361-6002

Registration may be completed online at www.kta-ktob.com. The Horse Identifier can check registration status of a horse.

For those horses that are registered and eligible according to the conditions listed above, fund monies will be divided as follows:

60%....................................................................to the winner
20%..........................................................................to second
10%..............................................................................to third
5%.............................................................................to fourth
3%.........................................................................to fifth

Remaining 2% divided evenly among starters.

Unearned fund monies revert to the Kentucky Thoroughbred Development Fund. Additionally, if a non-KTDF eligible horse is involved in a dead heat, those funds will revert to the fund.

PLEASE NOTE: ALL KTDF PURSE ALLOTMENTS CONTAINED HEREIN ARE SUBJECT TO KHRC APPROVAL.
Keeneland Association, Inc.

ENTRIES, SCRATCHES & ALSO-ELIGIBLES

- Scratches will be considered by stewards upon submission.
- All scratches must be submitted by 8:00am EST on the day of the race.
- Jockeys must be named at the time of entry.

Digital Foal Certificates:
The Jockey Club registry issues digital foal certificates for foals of 2018 and later. Digital certificates are stored on the Registry’s website at registry.jockeyclub.com.

If you have questions about digital foal certificates, see the digital certificates FAQs at registry.jockeyclub.com or contact the Registry office via email at inquiries@jockeyclub.com or by phone at (800) 444-8521.

Keeneland Foal Certificate-Less Date System for Summer 2020:
In an effort to lessen the spread of Covid-19, Keeneland will NOT be accepting foal papers in the Horse I.D. Office, and they are NOT necessary to establish a Preference Date. Keeneland will be utilizing a date system as follows:

In over-filled races, all horses will be considered equal in regards to a PREFERENCE date. There will be NO Zero dates and NO E-Dates.

A horse SHALL establish an R-Date that will correspond to:

- The Day of a horse’s most recent race (in KY or any other jurisdiction) after the opening of the Keeneland Summer Meet starting July 8.
- An R-Date will also be assigned to a horse which scratches or comes off a list (vet, stewards, starter, etc.)
- Turf and Dirt R-Dates will be kept separate. A horse that runs on the dirt which has been taken off the turf shall receive an R-Date for dirt only. A horse that scratches from a race taken off the turf shall receive an R-Date for both turf and dirt.
- An R-Date will be less preferred than a horse that has no date.
- This preference system will not supersede KHRC rules regarding preference, eligibility or scratches.

Condition Preference
- Horses are preferred by their available conditions in all allowance races beginning with Graded stake winners (Grade I-II-III), open stakes winners through their allowance conditions providing the horse has finished 1st, 2nd, 3rd or 4th for $40,000 or more since starting for less than $40,000.
In allowance/optional claiming races a horse’s eligibility cannot exceed the condition of the race. Starter races for less than $25,000 will not be preferred.

- No entry will be received except upon the condition that all disputes, claims and objections arising out of the racing or with respect to the interpretation of the conditions of any race shall be decided by the officers of the association, or those whom they may appoint and their decision upon all points shall be final.
- No entry shall be accepted from any stable not provided with a trainer’s license.

**Main Track Only Entries**

- Entries will be accepted in turf races (excluding stakes) for Main Track Only (MTO) horses.
- Trainers must declare the horse as MTO at the time of entry.
- A horse entered as MTO shall be listed as Also-Eligible.
- In an over-filled turf race, Keeneland reserves the right to designate two Main Track Only Positions on the also Eligible List. Also-Eligible (including MTO) shall be assigned a post position by preference. If preference is equal, post positions shall be drawn by lot, unless otherwise stipulated in the published conditions of the race.
- If the race remains on the turf, a horse listed as MTO shall not be permitted to draw into the race. When a race is removed from the turf, MTO horses will receive an R-date if they run or scratch if they run or scratch. If the race remains on the turf, MTO horses will retain their previous date.

**Weight**

Owners and trainers must be careful to claim allowances at the time of entry, and state penalties, and are solely responsible if a horse starts with the incorrect weight and is therefore disqualified.

**Special Notices**

- Keeneland reserves the right to start any or all races with or without a stall gate starting machine.
- Horses claimed, transferred or sold to any person or stable, not registered for racing at Keeneland, must be removed from the grounds within twenty-four (24) hours, unless approved by the Stewards and Keeneland.
- Trainers accept the responsibility for all persons for whom he is acting with regard to the rules and regulations of the race meeting, conditions of Keeneland, and the rules of racing adopted by the Kentucky Horse Racing Commission, and agrees to be bound by and comply with the same, and the acts and decisions of the Kentucky Horse Racing Commission and the Racing Officials.
- Every horse must be saddled in the paddock. This rule is imperative. Horses must be in the paddock at least twenty minutes before the bugle call. Ponies may not accompany horses in the walking ring.
- Upon going to the post, all horses must parade in front of the stand in the order assigned to them on the official program.
- All two-year-olds must be properly schooled and approved by the starter before being allowed to start.
• At the discretion of the stewards, and without notice, the entries of any person, or acceptance or transfer of any entries, may be refused.
• The stewards reserve the right to substitute one jockey for another, at their discretion. It will be their purpose to substitute a jockey of equal ability.
• Neat dress required. All trainers and accompanying stable personnel should be neatly dressed when taking horses to the paddock. Pony personnel taking horses to the post in the public parade must wear jackets available at the paddock gate and must keep themselves and their mounts well-groomed and their tack clean.
• Horsemen stabled at Keeneland are, at their own risk, allowed to exercise their horses in the designated field situated behind Barns 46-49. Hours are from sunup to 11:00 a.m. on race days and sunup to noon on non-race days. Trainers are required to have the personnel accompanying the horse to the gallops to sign a waiver of liability with the Racing Secretary prior to using the property. Outriders will not be provided on the gallops.
• There will be an outrider on the track every day for your protection and if at any time he/she can be of assistance, do not hesitate to ask.

Field Size
Field size shall be determined by Keeneland.

Turf Course Special Notices
• All races programmed to be run on the turf course may, in the event of a change in the condition of the course, be transferred and run over the main track.
• All races transferred from the turf course to the main track will be run at the same distance with one exception: races at one mile and one-half on the turf will be contested at one mile and five-eighths on the main track.
• Ponies will not be allowed on the turf course.

Veterinarian Examinations
At all times, a horse must be in serviceable, sound racing condition in order to train, work or race at Keeneland. A Trainer will not enter a horse in any race UNLESS the horse has: (a) been examined by horse’s attending veterinarian during the three (3) days immediately preceding the entry to race for the express purpose of evaluating the horse’s fitness to race; and (b) been found fit to race by the attending veterinarian. This evaluation shall include, at a minimum, watching the horse jog. The attending veterinarian and trainer are obligated to inform the Keeneland Equine Safety Director and the KHRC Veterinarian of any changes in the horse’s fitness after entry and before race day. The Trainer acknowledges it is his/her obligation to confirm the horse is in serviceable, sound racing condition in order to train, work or race at Keeneland. Trainer will not enter a horse in any race UNLESS he or she and the attending veterinarian have submitted to Keeneland a fully executed Rules and Conditions for Racing and Training Form.

The KHRC is to provide an official veterinarian (“KHRC Veterinarian”) who performs his or her duties as set forth in the relevant KHRC regulations (including, without limitation, 810 KAR 2:010), maintains the KHRC practices and procedures, and ensures compliance
with those practices and procedures. At any time, the Keeneland Equine Safety Director and the KHRC Veterinarian, or their respective designee, may perform such examinations as either party may deem necessary or advisable (including, without limitation, those examinations and certifications required by any KHRC rules or regulations to assess a horse’s soundness to train, work or race). Such examinations may include (but are not limited to) pre- and post-training, work and race inspections, and may consist of observing the horse while being jogged and examining the horse’s legs, attitude and demeanor, all while referencing past training, work or race-day exam information provided by the KHRC’s official vet office records. In addition, such examinations may include diagnostic tests as part of the evaluation of the horse’s soundness. Any horse that is deemed unsound may be scratched from a race or not permitted to train or work.

Keeneland and KHRC are entitled (but not required to) contact, without prior notice, a horse’s attending veterinarian(s) to confirm that examinations have been conducted pursuant to these rules and that any such examination meets Keeneland and KHRC requirements. Keeneland shall have the right (but not the obligation) to examine and review all records of examinations performed on any horse entered to race or scheduled to train.

**HORSEMEN’S BOOKKEEPER**

**Contact:** Kristey Weisenberger  
**Tel:** 859-280-4748  
**Email:** horsebook@keeneland.com

The Horsemen’s Bookkeepers’ offices will be open from 8:30 am until after the last race on live racing days.

There are two office locations: Inside the racing secretary’s office, and on the 2nd floor of the administrative offices.

Prior to participation in a race Owners are required to establish an account with the Horsemen’s Bookkeeper to include ALL of the following:

- Complete address information
- W-9 or W-8ECI
- Jockey fees
- Fees for stakes engagements

Keeneland may refuse entry to any person(s) who has not paid monies owed to Keeneland including but not limited to: stall rent, nomination fees, entry fees, starting fees and jockey fees.

Any balance owed to Keeneland may be paid with a credit card (Visa, MC, AMEX, Discover). Credit card authorization forms are available through the Horsemen’s Bookkeeper. A transaction fee of 3% will be applied to any balances over $5,000 paid via credit card.
Partnerships
If a horse runs in the name of a partnership, the check will be cut with all names listed on the partnership account. The Horsemen’s Bookkeeper will not pay out percentages to different partners; it is the responsibility of the partnership to disperse funds accordingly.

Tax Reporting
A tax ID (SSN or FEIN) is required before any funds can be released. An IRS form W9 or W8ECI certifying the tax ID must be submitted to Keeneland Association, Inc. In the case of partnership accounts, a W9 is required from ONLY ONE of the partners and all income for the account will be reported to the IRS using that partner’s tax ID.

Wire Transfer Funds To Your Keeneland Account
Email horsebook@keeneland.com for wire transfer instructions. Include all pertinent information to be sure your funds are credited to the appropriate account.

Required Forms
United States Residents – Horsemen must have a signed W-9 on file with the Horsemen’s Bookkeeper before any purse money will be distributed.

United States Non-Residents - The Internal Revenue Service requires that Keeneland Association withhold and pay 30% of purses paid to a non-resident of the United States, if the person paid does not possess a valid Federal Taxpayer Identification Number, to the IRS. Each non-resident must complete a FORM W8ECI, and place on file with the Horsemen’s Bookkeeper.

TAX FORMS can be picked up in either Horsemen’s Bookkeeper’s office. Completed forms can be dropped off at either location, faxed to 859-280-4730, or emailed to horsebook@keeneland.com.

Thoroughbred Aftercare Alliance (TAA) $5-per-start ‘opt-out’ contribution
Keeneland has partnered with the TAA, a 501 (c) (3) non-profit organization, in an effort to ensure quality aftercare for our equine athletes when their racing careers are over. A $5 fee will be collected from each owner’s account and contributed to the TAA for every horse that starts a race at Keeneland. Furthermore, Keeneland will match all contributions collected in order to double the impact. Participation is optional. If, for any reason, you choose not to support this program, you may opt out by emailing the Horsemen’s Bookkeeper at horsebook@keeneland.com.

Funds for claims: All funds must be available in order to be used for claims.
PURSE DISTRIBUTION
For each race, Keeneland Association monies will be divided:
   60% to the owner of the winning horse
   20% to the owner of the 2nd place finisher
   10% to the owner of the 3rd place finisher
   5% to the owner of the 4th place finisher
   3% to the owner of the 5th place finisher
   2% to be divided equally among 6th through last place

TATTOO/MICROCHIP
All owners who have horses digitally tattooed on Keeneland’s grounds, shall pay the $80 fee directly to the TRPB Identifier. If the horse’s first career start is at Keeneland, the owner’s HB account will be credited in the same amount.

Effective January 1, 2020 Race Horse Identification transitioned from lip tattooing to utilizing the Digital Tattoo (Picture Horse ID) which is accessible through scanning of the Jockey Club issued Microchip implanted in the horse’s neck by the breeder.

All foals of 2017 forward must be microchipped before the Jockey Club will register the horse.

All foals of 2016 and older who are not tattooed and who currently do not have a microchip need to contact The Jockey Club (#800-444-8521) to obtain a microchip. The Jockey Club issued microchip must be inserted into the horse and listed on the foal papers or digital foal papers before the horse is Digitally Tattooed prior to its first race.

Like the old tattoo system, TRPB Identifiers will come to your barn, then scan the microchip to pull up the digital copy of the foal papers and verify the markings prior to the horse being allowed to race. Additionally, the TRPB Identifiers will take a series of photographs of your horse.

MEDICATION & TESTING; OTHER PROCEDURES

Race-Day Medication
As a condition of entry pursuant to Keeneland’s common-law right to exclude and under Keeneland’s authority to establish an International Medication Protocol pursuant to 810 KAR 8:050, during the Keeneland April 2020 spring race meet, all two (2) year old races shall be International Medication Protocol races, and horses nominated or entered to compete in said International Medication Protocol races shall not be eligible to receive furosemide less than twenty-four (24) hours prior to post time for the race. In accordance with 810 KAR 8:050, all matters related to sample collection, ownership, storage, shipment, chain of custody, testing, and reporting and other applicable provisions shall be done in accordance with 810 KAR 8:010, 810 KAR 8:030, and 810 KAR 8:060. In the event of any conflict between 810 KAR 8:050 and any other KHRC regulation, the provisions of 810 KAR 8:050 shall supersede. Participation by such horses will not affect the status of the participating horse on the official authorized bleeder medication list.

Furosemide Use On Race Day
Except as provided above, Furosemide may be administered, in accordance with this section to a horse that is entered to compete in a race.
- Only the (KHRC) Commission veterinarian or, if the commission veterinarian is unavailable, a licensed veterinarian approved by the Commission to perform the administration, shall administer furosemide prior to a race.
- Furosemide shall be administered at a location under the jurisdiction of the (KHRC) Commission, by a single intravenous injection not less than four and one half (4 ½) hours prior to post time for the race in which the horse is entered.
- The furosemide dosage administered shall not exceed 500mg, nor be less than 150 mg.
- The initial cost of administering the furosemide shall be twenty ($20) dollars per administration fee from the owner’s account.

TCO2 Testing
In accordance with 810 KAR 8:010, Section 21. TCO2 Testing and Procedures. (1)(a) The stewards or commission veterinarian may order the prerace or post-race collection of blood samples from a horse to determine the total carbon dioxide concentration in the serum or plasma of the horse. The winning horse and other horses, as selected by the stewards, may be tested in each race to determine if there has been a violation of this administrative regulation.

Per Keeneland’s House Rule, at least two races per day will be tested. All horses for every race must report to the holding barn (barn 21) forty-five (45) minutes prior to their scheduled post time for TCO2 testing. Absolutely no unauthorized personnel are allowed within fifty (50) feet of the holding barn. Violators will be reported to the Stewards by Security. Additionally, horses that do not report may be scratched.

Out of Competition Testing
In accordance with 810 KAR 8:040, the Kentucky Horse Racing Commission (KHRC) is
authorized to conduct “out of competition” testing on any horse that is eligible, or that may become eligible to race in Kentucky. The complete regulation is available at https://apps.legislature.ky.gov/law/kar/810/008/040.pdf.

Extracorporeal Shock Wave Therapy or Radial Pulse Wave Therapy
A horse treated with extracorporeal shock wave therapy, radial pulse wave therapy or similar treatments shall not race or work for a minimum of ten (10) days following treatment.

STABLING
A stall application is required for every person seeking to be stabled on Keeneland’s grounds. Applications may be obtained at www.keeneland.com or by contacting the stable office.

Keeneland reserves the right to refuse stabling space, or to refuse the acceptance of any entry in any race for any reason or cause, and without notice to the trainer.

Trainers agree to abide by all rules and regulations of Keeneland and the Kentucky Horse Racing Commission.

Trainers agree to vacate stalls and move all horses, equipment, and personnel, upon request, from Keeneland property within a reasonable time.

All stable reservations made, and every entry in any race will be accepted only on the condition that all disputes, claims and objections arising out of the racing or with respect to the interpretation of any rules or conditions or races or otherwise shall be decided by the Kentucky Horse Racing Commission, Stewards of the meeting or Keeneland, and such decision upon all points shall be final.

Ship-In\'s
Entrant agrees that any horse running at Keeneland will be on Keeneland’s grounds a minimum of four and one-half (4 ½) hours prior to race time in default of which Entrant understands that the horse shall be scratched.

Stakes Security
All horses entered in a stakes race will be subject to mandatory security surveillance from four and one half (4 ½) hours to post. All person(s) entering the barn must have a valid KHRC issued license and will be documented by surveillance personnel.

OTHER HOUSE RULES
*Any trainer not in compliance with any Keeneland house rules may be subject to monetary fines and/or removal of horses from grounds.

Bedding
Unless a request for shavings has been approved by the Racing Secretary, all stalls must be bedded with straw. Sawdust is not permitted.
Water Hoses*
All hoses in the barn area must be fitted at all times with a working nozzle, such that water will not flow from a hose unless the nozzle is engaged.

Heat Lamps*
Heat lamps are prohibited at all times in the stall areas.

Dogs*
All dogs must be kept inside tack rooms during training and racing hours, or if out, must be leashed and in hand at all times. Under no circumstances may dogs be tied in shedrows or about the barns during these hours. Dogs tied in shedrows at hours other than the above mentioned must be on a fixed, short leash to permit free access and passage of Keeneland's security police around the barn area. No running chains or lines will be permitted. This action is being taken in order to permit the daily routine business of veterinarians, blacksmiths, feed delivery, track security, deliveries and barn maintenance personnel.

Washing Machines*
No washing machines may be brought in the stall areas. An equine laundry facility is available between Barn 42 and the Maintenance Building, and may be utilized by Trainer/Owner and staff as available.

*All stalls must be cleaned prior to shipping out of Keeneland's grounds.

* No vehicles are permitted to park in the grass or walking rings between barns until after 2:00 p.m. each day. Vehicles found in these areas will be towed at the owner’s expense.

SURFACES

Main Dirt Track
In the summer of 2014, Keeneland converted its 1 1/16-mile main track from Polytrack to dirt. The dirt racing surface is a blend of approximately 19,000 tons of sand, silt and clay native to Kentucky. The surface composition is approximately 87.5 percent sand and 12.5 percent clay and silt.

The new surface debuted during the 2014 Fall Meet.

Turf Courses
The Haggin Course: Keeneland's 7½-furlong turf course is named for former Keeneland President Louis Lee Haggin II. Stretch length: 1,190 feet. Width: 70 feet at the finish line; 58 feet at the mile pole. The temporary rail can be set 15 or 20 feet from inside the rail.

Training Track
Polytrack: Keeneland’s 5-furlong training track has an all-weather Polytrack surface, which was renovated during the summer of 2015.
WORKOUTS
Trainer will not enter in any race a horse that is an unstarted 4-year-old or older or has not raced in the preceding 365 days UNLESS the horse has worked 5 furlongs in 1:03 or better for the Keeneland Equine Safety Director (or his or her designee) in the previous thirty (30) days. Horses that have not raced within 120 days but have raced within 365 days must have an examination performed by the Keeneland Equine Safety Director prior to entry. Based upon that examination, the Keeneland Equine Safety Director may require the horse to work prior to being allowed to enter. If the horse is required to work it must meet the same requirements as a horse that is working off of the Official KHRC Veterinarian’s list.

The turf course will be open for a limited number of workouts immediately after the main track is closed on Sundays and Tuesdays.

Turf workouts will be limited to horses who are nominated (nominations closed) to stakes races on the turf at Keeneland.

Turf slips must be picked up at the racing secretary’s office 48 hours in advance of the workout.

All horses must work outside “dogs” in a counterclockwise direction.

A horse will not be permitted to work UNLESS the horse has: (a) been examined by the Trainer’s attending veterinarian during the five (5) days immediately preceding the work for the express purpose of evaluating the horse’s fitness to work; (b) been found fit to work by the attending veterinarian (this evaluation shall include, at a minimum, watching the horse jog).

The attending veterinarian and trainer are obligated to inform the Keeneland Equine Safety Director or the KHRC Veterinarian of any changes in the horse’s fitness after the examination set forth above and before the horse works.
