**CBA Keeneland September Show Poll as of 9-5-20**

Go to [www.ConsignorsAndBreeders.com](http://www.ConsignorsAndBreeders.com) for the most current version

Below are the results of the CBA Show Day poll of its consignors. 100% of CBA consignors replied to this poll and it represents responses through September 4th. Please be aware that a few consignors may still adjust their plans up until they actually ship in. So, while this list will be highly accurate it will likely not be perfect. **Remember — for the most current information go to [www.consignorsandbreeders.com](http://www.consignorsandbreeders.com).**

We hope this poll is helpful to both buyer and seller. Please email us with any changes or updates to your schedule or any suggested improvements at [info@consignorsandbreeders.com](mailto:info@consignorsandbreeders.com). **Thank you for your support.**

**Book 1 (Barns 1 - 19)**

Book 1 will sell over 2 days with consignors generally selling on both days. Basically, 50% of the yearlings (about 200) will be showing on Thursday, September 10th, and the remaining 50% will be showing on Friday, Sept 11th.

**Book 2 (Barns 26 - 49)**

The majority of CBA consignors (75%) will show Book 2 horses for 3 days (2 show days and the sale day). Almost all of the remaining 25% will show 4 days (3 show days and a sale day). There are a couple of CBA consignors with other plans, so please consult the chart and color coded key.

**Book 3 (Barns 1 - 27)**

The majority of CBA consignors (70%) will show book 3 horses for 2 days (1 show day and the sale day). The remainder (about 30%) will show for 3 days based on barn availability.

**SHOWING TIPS FOR THE SALE**

**Begin at the End (or even the Middle)**

Yearlings for Book 1 cover barns 1 to 27. Yearlings for Book 2 cover barns 28 to 49. Historically lookers often start in the first barn of a given book and work their way through. Instead, we suggest starting at the end or somewhere in the middle to avoid traffic jams. This will be especially true once lookers start Book 2.

**If the crowd zigs you zag**

If an area suddenly gets crowded, be flexible and jump over a few barns and then come back. Often one barn is swamped while a nearby barn is fairly quiet. However, if the whole area is active, jump to another area entirely. Keeneland has lots & lots of shuttles roaming the grounds. Remember, don't waste time standing in a sea of humanity and equine — there is always someplace to see horses efficiently, if you avoid the straight line.
