Education: Sullivan University

Family: Twin boys Zacariah and
Zacchaeus

Years in the Business: 10 years

Career Highlights: Becoming a sous
chef at Keeneland

Hobbies: Baking, drawing, and painting

What you enjoy about working at Keeneland: Keeneland is such a unique and beautiful place. I find my job to be constantly changing. No one party, social event, horse sale, or race meet is the same. I have the pleasure of seeing new faces and meeting new people all the time. Being in the culinary field, things are always changing and you can learn something new every day. Having the ability to prepare amazing food for our guests is always rewarding. I like the "work hard, play hard" mentality in my job. I must say working at Keeneland has been one of the highlights of my career.
