

professional profile

JAYNE MAZZONI, Payroll and Benefits Manager

Born: 1957; Portsmouth, Ohio

Education: Greenup County High School, professional in human resources certification

Family: husband Jim; daughter Erin Horsley (Andy); son Josh Phillips (Dawn); and grandchildren Weston, Jackson, Grady, Ben, Ada, Abi, and Nick.

Years in the Business: I've been with Keeneland 20 years, the last 19 in my current position.

Career Highlights: As part of the HR team I've had the opportunity to interact with so many great employees, not only working together but also getting to know them and their families. I enjoy the day-to-day details of my job and the challenges that have been presented with various projects throughout the years, but when someone stops by my office to share their excitement over an upcoming wedding, a new baby, or even just plans for a special weekend, that's the best part of my day.

Hobbies: Needlework, reading, and all types of puzzles, but my favorite thing to do is spend time with my grandchildren!

What you enjoy about working at Keeneland: I love the excitement of the race meets and sales. And even though my schedule is basically the same each week, every day seems different because there's always something going on at Keeneland.
