

Track Records on Dirt

The 2014 Fall Meet marked the first season of a new dirt surface on Keeneland's 1 1/16-mile main track. The track was structurally reconfigured in the summer of 2006 to widen the turns and lengthen the stretch. As a result, dirt track records prior to the 2006 Fall Meet are not comparable to times set on the new dirt surface. A new set of track records was established during the 2014 Fall Meet.

Following are the track records on dirt; the turf course records; and the previous track records on Polytrack (in use during the 2006 Fall Meet through the 2014 Spring Meet) and on dirt (through the 2006 Spring Meet).

Course Records

Keeneland's turf course debuted during the 1985 Fall Meet.

Through 2016, Keeneland had two names for the turf course. The Keeneland Course referred to the course when a temporary rail was placed a certain number of feet from the permanent inside rail to save wear and tear on the innermost portion of the turf course (often referred to as "rail up"). When the temporary rail was not used ("rail down"), the course was called the Haggin Course, named for Louis Lee Haggin II, Keeneland's President from 1940-1956. Keeneland recognized course records for the various distances and rail settings.

For the 2016 Fall Meet, Keeneland replaced the inside rail on the Haggin Course with a portable rail that can be placed a variety of distances to protect the inside portion of the turf course. Beginning with the 2017 Spring Meet, Keeneland consolidated the course records into one set based solely on distance, not rail settings.

The Haggin Course remains the name of Keeneland's turf course.
