EQUINE SAFETY INITIATIVES

Please see below for important equine safety initiatives that have been implemented for the 2022 Keeneland Fall Race Meet.

- 1. 2022 Keeneland Safety Agreement:** This must be signed by the trainer and attending veterinarian and submitted to the Stable Office or Racing Office upon arrival. This document will cover all of 2022. Please ensure both you and your veterinarian sign prior to submitting. A valid and signed 2022 agreement must be on file PRIOR to the acceptance of any entry. The current agreement can be found online at: www.keeneland.com/safetyagreement
- 2. Medication Restricted Races:** Pursuant to KHRC regulation 810 KAR 8:010, Section (6) all two (2) year-old races and stakes races will be conducted Lasix-free. Please consult with your veterinarian, Keeneland Vice President of Equine Safety Dr. Stuart Brown or the KHRC if you have any questions regarding this regulation.
- 3. Pre-Entry Exam:** Pursuant to the Regulations, all horses must have an exam performed by your veterinarian within the three (3) days preceding a race entry. This exam is to be documented by your veterinarian and he/she will include their findings on their daily treatment records submitted to the KHRC and/or the Authority, as the case may be.
- 4. Pre-Work Exam:** All horses must have an exam performed by your veterinarian within the five (5) days preceding a timed workout, per the 2022 Keeneland Safety Agreement. - 5. In Today Signage:** All horses entered to race must be clearly identified starting at 7:30am on race day with an "In Today" sign. Trainers should hang these signs on the stall door or adjacent to the stall. This is separate from the KHRC Lasix tag hung following Lasix administration. Extra signs are available in the Stable Office.
- 6. Entry Restrictions:** Pursuant to the Regulations, a first-time starter four (4) years of age or older and any horse that has raced, but has made no starts in the last 365 days or more, shall be approved by a Commission Veterinarian prior to entry. The Kentucky Thoroughbred Development Fund (KTDF)

Horsemen with Kentucky-sired Kentucky-breds have over \$30 million more in purse money to run for in designated stakes, handicap, allowance, non-claiming maiden races, and claiming races contested at licensed Thoroughbred race meetings in Kentucky.

Eligible races can be readily recognized in the stakes and condition books by the Kentucky Thoroughbred Development Fund seal, which will appear next to each race in the stakes and condition books.

In accordance with KRS 230.400(5)(d), it is mandatory for a horse to be registered prior to time of entry to be eligible to participate in the distribution of Kentucky Thoroughbred Development Fund monies. Registration is only complete once the application is approved and payment has been received.

All horses of racing age that are both Kentucky-bred and sired by a Kentucky stallion which stood in Kentucky the entire breeding season the year the horse was conceived are eligible to be registered. Owners of horses of racing age are responsible for registering their horses. Stallion owners are responsible for registering their stallions.

Registration applications may be obtained from the official registrar, the Kentucky Thoroughbred Owners and Breeders, by contacting:

Mrs. Jenny McGaughey, Registrar
Kentucky Thoroughbred Owners and Breeders
4079 Iron Works Parkway, Lexington, KY 40511
(T) 859 259-1643 • (M) 859 361-6002

Registration may be completed online at www.kta-ktob.com. The Horse Identifier can check registration status of a horse.

For those horses that are registered and eligible according to the conditions listed above, fund monies will be divided as follows. After payment of 1.25% to all owners of horses finishing 6th through last place, the remaining fund monies will be divided:

- 62% to the owner of the winning horse
- 20% to the owner of the 2nd place finisher
- 10% to the owner of the 3rd place finisher
- 5% to the owner of the 4th place finisher
- 3% to the owner of the 5th place finisher

Unearned fund monies revert to the Kentucky Thoroughbred Development Fund. Additionally, if a non-KTDF eligible horse is involved in a dead heat, those funds will revert to the fund.

**PLEASE NOTE: ALL KTDF PURSE ALLOTMENTS CONTAINED
HEREIN ARE SUBJECT TO KHRC APPROVAL.**

ENTRIES, SCRATCHES & ALSO-ELIGIBLES

- Scratches will be considered by stewards upon submission.
- All scratches must be submitted by 8:00am EST on the day of the race.
- Jockeys must be named at the time of entry.
- Entry closing dates are listed at the top of each page of conditions.

A valid and signed 2022 Keeneland Safety Agreement must be on file PRIOR to the acceptance of any entry

Digital Foal Certificates:

The Jockey Club registry issues digital foal certificates for foals of 2018 and later. Digital certificates are stored on the Registry's website at registry.jockeyclub.com. If you are planning on running at Keeneland ask your owners to assign digital certificates of their 2-year-olds and 3-year-olds who have digital certificates to Keeneland as the Certificate Manager. All digital foal papers will be treated the same as paper foal papers and must be on file by Monday, October 3 for a zero date. For horses 4-years-old and up, continue to deliver paper certificates to Keeneland Racing Office Attention Horse I.D.

If you have questions about digital foal certificates, see the digital certificates FAQs at registry.jockeyclub.com or contact the Registry office via email at inquiries@jockeyclub.com or by phone at (800) 444-8521.

KEENELAND DATE PREFERENCE SYSTEM

The Date System of preference will be used at Keeneland Association as described below:

Foal Certificates and Digital Foal Certificates are no longer required to obtain and retain on file in the racing office to enter or start at Keeneland Association; however, foal certificates must be on file to obtain a preference date and to get a horse digitally tattooed.

To receive a zero (0) date, foal papers or Digital Foal Certificates must be on file with the Horse Identifier by Monday, October 3.

Preference by condition eligibility then by:

1. In over-filled races, preference will be given to horses in order of their assigned preference dates, earliest date first. Horses having identical dates will be chosen by lot; however, where entry and running dates are the same, the horse with the entry date will have preference.
2. All horses intended for racing at Keeneland Association will be assigned a preference date. Dates assigned will be of two types:

E-Date

This date will correspond to:

- a. The day on which a horse's foal papers/digital foal papers and name tag are submitted to the identifier (the earliest date being the day when entries are first taken for the meeting). An unnamed horse will not receive an E-Date.

- b. The day on which a horse is first entered if his papers are not on file with the identifier.
- c. To qualify for the latter E-Date, a horse must have been excluded from a race which appears on the overnight or he must have been entered in a condition book race which failed to fill through insufficient entries.

R-Date

This date will correspond to:

- a. The day of a horse's most recent race at Keeneland Association.
 - b. An R-Date will also be assigned to a horse which scratches (provided the foal papers are on file with the identifier).
3. A horse retains his R-Date until he receives a newer R-Date. No horse with an established R-Date may receive an E-Date. A horse whose papers or digital papers are removed from the identifier's office will lose his date and must subsequently re-establish a date in order to receive preference. A horse with an E-Date cannot receive a newer E-Date. Horses starting at another racetrack will forfeit any date they may have at Keeneland Association. Additionally, horses racing at Keeneland without foal papers on site will not retain their R-Date.
 4. Preference dates will consist of two categories: Dirt (D) and Turf (T). Preference dates are good for any type of race or distance.
 5. A horse that runs in a race, which has been taken off the Turf will retain its Turf date and establish a Dirt R-Date. A scratched horse will receive an R-Date from the date scratched for both Turf and Dirt.
 6. When a race is taken off the Turf, Main Track Only (MTO) horses will receive an R-Date if they run or scratch. If the race remains on the Turf, MTO horses will retain their previous date.
 7. Horses on the Also-Eligible list shall be permitted to draw into races in order listed. A horse entered as MTO shall be listed as an Also-Eligible. If the race remains on the Turf, a horse listed as MTO shall not be permitted to draw into the race.
 8. No E-Date will be assigned to the second choice of an unsplit same-owner entry.
 9. A horse which has been placed on a list (veterinarian, steward, starter or paddock judge) will lose their date and be assigned an R-Date corresponding to the day removed from list, provided the foal papers are on file with the identifier.
 10. A horse which is a scheduled starter in a canceled race will not receive an R-Date for that race but will retain its previous date.
 11. Stakes and handicap races are not subject to date preference.
 12. Preference dates are transferred through change of ownership and changes in trainer after the proper transfer procedure have been completed through the Steward's office and delivered to the Racing Secretary's Office.
 13. Date preference rules will not supersede KHRC rules regarding preference, eligibility or scratches.
 14. Winners will be preferred in all non-maiden races.

Condition Preference

- Horses are preferred by their available conditions in all allowance races beginning with Graded stake winners (Grade I-II-III), open stakes winners through their allowance conditions providing the horse has finished 1st, 2nd, 3rd or 4th for \$40,000 or more since starting for less than \$40,000. In allowance/optional claiming races a horse's preference cannot exceed the condition of the race. Starter races for less than \$25,000 will not be preferred.

All foals of 2016 and older who are not tattooed and who currently do not have a microchip need to contact The Jockey Club (#800-444-8521) to obtain a microchip. The Jockey Club issued microchip must be inserted into the horse and listed on the foal papers or digital foal papers before the horse is Digitally Tattooed prior to its first race.

Like the old tattoo system, TRPB Identifiers will come to your barn, then scan the microchip to pull up the digital copy of the foal papers and verify the markings prior to the horse being allowed to race. Additionally, the TRPB Identifiers will take a series of photographs of your horse.

BEHIND EVERY
BIG RACE, ARE
HUNDREDS
OF SMALL
MOMENTS

A horse doesn't become great at the moment it crosses the finish line. Its greatness is built each day, in little moments on and off the track. That's where managers, grooms, trainers, riders and farriers work together to bring their unique expertise to the process of building a champion.

At Hagyard, we're proud to say we are part of those teams, too. And when it's time for our moment, we bring over 145 years of expertise to the team. Because champions deserve nothing less.

Call us when you're ready for **your** big moment. So we can build greatness **together**.
