This Spring Meet would have marked the 25th running of the legendary Toyota Blue Grass Stakes at Keeneland—a race that has produced 19 winners of the Kentucky Derby. As Keeneland’s longest-standing partner for a quarter of a century, Toyota has continued to support the industry through their sponsorship of the Toyota Blue Grass Stakes this summer, benefiting the sport and all those who enjoy Thoroughbred racing.

Thank you to Toyota for 25 years of dedication to the sport we all love.
Welcome to Keeneland’s first Summer Meet, where all kinds of history is being made to shape the next chapter of a story that began with our first race meet in October 1936. As you know, we had to cancel this year’s Spring Meet because of COVID-19. Thanks to the cooperation of Ellis Park, Kentucky Horse Racing Commission and Kentucky Gov. Andy Beshear among others, these five days from July 8-12 became available to Keeneland to enable us to accommodate a portion of the Spring Meet albeit without spectators. Let that sink in: a Keeneland race meet without the presence of our many loyal and enthusiastic fans, who are watching from home. These are unprecedented times, indeed.

I heartily thank our fans for their continued support during this most unusual racing season, and I salute everyone who is helping put on the Summer Meet – especially the trainers, exercise riders, grooms, hot walkers and others in the stable area who have reported to work every day since the pandemic began to continue caring for the horses.

Special thanks also go to our corporate partners who are sponsoring Summer Meet stakes: Central Bank, Coolmore, Japan Racing Association, Keeneland Select, Kentucky Utilities, Maker’s Mark, Toyota and our newest sponsor, TVG.

This year’s Toyota Blue Grass is especially notable because it marks the 25th running of the race that Toyota has sponsored. This 25-year milestone with Keeneland’s oldest corporate partner is worthy of a celebration, which is coming a few months later than originally scheduled.

An unusual addition to Keeneland’s 2020 calendar, the Summer Meet is ushering in a slate of exciting events scheduled at Keeneland for the remainder of the year. Next is the September Yearling Sale, which begins Sept. 13, followed by the Fall Meet from Oct. 2-24, the return of the Breeders’ Cup Thoroughbred Championships on Nov. 6-7 and the November Breeding Stock Sale, which kicks off Nov. 9.

Our hearts go out to those of you who have been impacted by COVID-19. Your strength and courage and the resiliency of our community and our industry will never be forgotten.

Enjoy the races.

More graded stakes winners are sold at Keeneland September than all other North American sales companies combined. That record of success is proven on the track year in and year out, as Keeneland September graduates dominate racing’s biggest stages.

They not only pay to buy the horses but also for their training, veterinary and general care, and employ the jockeys who ride them.**

The owners listed have horses running today, and Keeneland salutes them for their support.

RULES ON PICK THREE, PICK FOUR, PICK FIVE & PICK SIX

PICK THREE
- A late scratch in the first leg of a Pick Three wager results in a refund.
- A late scratch in either the second or third leg of a Pick Three wager does not result in a refund, but entitles the ticket holder to a consolation payoff if the winners of the other two legs are selected.
- Any change in racing surface for the second and third legs of the Pick Three, that was not made known to the public prior to the start of the first race of the Pick Three sequence, results in an “All Win” situation. All Pick Three tickets will receive the winner of the affected race as the selection for that race.

PICK FOUR
- A late scratch in any leg of the Pick Four will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- There are no consolation payoffs in the Pick Four.
- Any change in racing surface for the second, third, and fourth legs of the Pick Four, that was not made known to the public prior to the start of the first race of the Pick Four sequence, results in an “All Win” situation. All Pick Four tickets will receive the winner of the affected race as the selection for that race.
- There are no carryovers in the Pick Four; if no perfect tickets are sold the wager will pay to all tickets with the greatest number of winners.

PICK FIVE
- A late scratch in any leg of the Pick Five will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- Any change in racing surface for any leg of the Pick Five, that was not made known to the public prior to the start of the first race of the Pick Five sequence, results in an “All Win” situation. All Pick Five tickets will receive the winner of the affected race as the selection for that race.
- All winning tickets with five correct selections will share in 75% of the daily net pool, and 100% of the carryover. When there are winning tickets with five correct selections, all ticket holders with four correct selections share in 25% of the daily net pool.
- If there are no tickets with five winners, all ticket holders with the greatest number of winners share in 25% of the daily net pool, with the remainder of the net pool carried over to the next racing day. There is a mandatory payout of the entire net pool on the last day of the race meet. Please note: The Early Pick Five carries over to the Early Pick Five on the next racing day. The Late Pick Five carries over to the Late Pick Five on the next racing day.

PICK SIX
- A late scratch in any leg of the Pick Six will result in the ticket holder being assigned the actual betting favorite as a substitute for the scratched horse.
- Any change in racing surface for any leg of the Pick Six, that was not made known to the public prior to the start of the first race of the Pick Six sequence, results in an “All Win” situation. All Pick Six tickets will receive the winner of the affected race as the selection for that race.
- All winning tickets with six correct selections will share in 75% of the daily net pool, and 100% of the carryover. When there are winning tickets with six correct selections, all ticket holders with five correct selections share in 25% of the daily net pool.
- If there are no tickets with six winners, all ticket holders with the greatest number of winners share in 25% of the daily net pool, with the remainder of the net pool carried over to the next racing day. There is a mandatory payout of the entire net pool on the last day of the race meet.

UNDERSTANDING DECIMAL ODDS
Keeneland is one of the first tracks in America to display decimal odds and payoffs on its tote board and to offer $1 win, place and show wagering. The number displayed is the payout for a $1 wager which means if you wager $1 to win on the 1 horse, you will receive $80.50 in return. If you wagered $2 on the 1 horse, you will receive $161 in return.

TRACK LAYOUT
This drawing shows Keeneland’s mile and one-sixteenth main track and 7 1/2-furlong turf course. Red and white poles, set a quarter-mile apart, mark the course, with green and white poles dividing the quarters into eighths. The black and white poles divide the eighths into sixteenths of a mile. The poles are referred to in terms of distance from the finish.

The quarter pole, for example, is a quarter-mile from the finish line. In addition to its main finish line on the main track, Keeneland has an alternate finish line coinciding with the sixteenth pole. This alternate finish line permits the running of mile and one-sixteenth races, with the start and finish at the sixteenth pole. The finish line used in each race is marked with a large red disk.

DISTANCE TRAVELED INFORMATION
In an effort to provide our patrons with additional information, this graphic is displayed on in-house televisions tuned to Channel 12.2, Keeneland’s Trakus channel. The total feet traveled by the winning horse is listed first; the distance traveled by each remaining horse in the field is listed comparatively to the winners’ distance.

**Puttng Safety First. Every Horse, Every Race, Every Time.**

For more than 350 years, horse racing has been a cherished part of American life.

But it's only ever been as healthy as its athletes.

That's why we've come together to set a new standard for safety, improving track conditions and medical care—to ensure the well-being of horses and jockeys, enforce accountability, and promote a culture of safety in our sport.
